Dedication

Four years of experienced leadership distinguished Mr. Rayburn Cadwallader's administration as principal at Withrow. Having served our faculty previously as a mathematics teacher and later an assistant principal, Mr. Cadwallader joined the staff at Western Hills for a time as chief executive. His welcome return to Tigertown in 1957 encouraged new projects which benefited the school in numerous ways. Patience, a reserved sense of humor, and a thorough understanding of the problems confronting students aided Mr. "Cad" in his successful management of Withrow. Although June of last year signified his unexpected retirement from Tigertown, we, the Annual Staff of 1961, gratefully acknowledge his wise guidance and honest interest in every one of us, and so to Mr. Cadwallader we proudly dedicate this book.

**"Gentle slopes and lofty tower
Radiant in the sun."**

Like a book of memoirs, the pages of this annual will unfold to the onlooker the many phases of life in the busy metropolis of Tigertown. Industrious the small town carries out its various functions; yet, through the hurly-burly of each day, the beauty and grace of our town is not lost. Its lovely landscape provides the setting of sundry experiences, each unique and matchless in itself. Standing stately and majestically in the midst of this suburbia is its symbol of ideals, the tower. On the weather-worn sides of this monument words of wisdom are inscribed for each citizen to read and follow. In pursuit of these goals Withrow's true beauty flourishes.

***"Arching bridge and shaded valleys
All our hearts are one."***

The citizens of Withrow tread quickly over the bridge into a new world of adventure. From every possible background students enter this institute of learning. Like inhabitants in any town, each one seeks his own level of interest; each gains priceless gems of knowledge from the diversified structures of this city.

"NOW LISTEN! THE OBJECT IS TO WIN, NOT TO POSE FOR A GOOD PICTURE."

"Love for you, our Alma Mater Ever will abide."

What is that compelling force which causes alumni to return to their alma mater, Withrow, the scene of so many memories, again and again? What is it that draws tears to the eyes of those singing at that last football game? Everyone who has walked down the ageless, noisy streets of Tigertown knows that therein lies an unforgettable part of his youth which will be cherished as fond memories throughout his life. The citizens of our city cannot but feel proud of its accomplishments. For those willing, the narrow way to knowledge is laid bare; the avenue of success lies ahead. "Tigertown '61," as a part of Withrow, captures some of the love and pride for their school students share.

THOUSANDS OF EAGER, SCHOLARLY TIGERTOWN STUDENTS PASS THE TOWER HURRYING BREATHLESSLY TO MORNING CLASSES.

"Friendships made in search of knowledge, cherished bonds and true."

WE'VE GONE THIRTY-SIX CONSECUTIVE DAYS WITHOUT A SINGLE FATALITY.

Within the boundaries of Tigertown are golden opportunities to enrich the lives of all, students and faculty, through the pursuit of knowledge. The years, which pass so quickly, are a time of getting acquainted with new people and sealing friendships which will possibly last long after the pages of textbooks are forgotten. "Tigertown '61" offers a chance to remember both.

IT'S AWFULLY HARD TO HEAT SOMETHING WITH NO FIRE.

"Memories of golden hours Hold us close to you."

ACTIVES LOVE TO TORTURE PLEDGES—ESPECIALLY IN FRONT OF A CAMERA.

As the days slip away passing into months, each leaves its memory of golden hours spent in Tigertown. In our city each section provides a different type of lasting impression which students will treasure and hold dear in the years to come. To recall the wonderful times spent at Withrow is the purpose of "Tigertown '61." While thumbing through its pages you see past activities live again—the exciting football games played on frosty autumn nights, the crowded dances held in the school gyms. Once more the presentation orchestra fills the auditorium with Minstrel music; once more the seniors march around the track.

LATE AFTERNOON SHADOWS BEGIN TO DEEPEN AND LENGTHEN AS LAST WORDS ARE SAID BEFORE STUDENTS LEAVE FOR HOME.

*"As we venture from your portals, We'll turn back to glimpse once more
Aims held ever high The tower 'gainst the sky."*

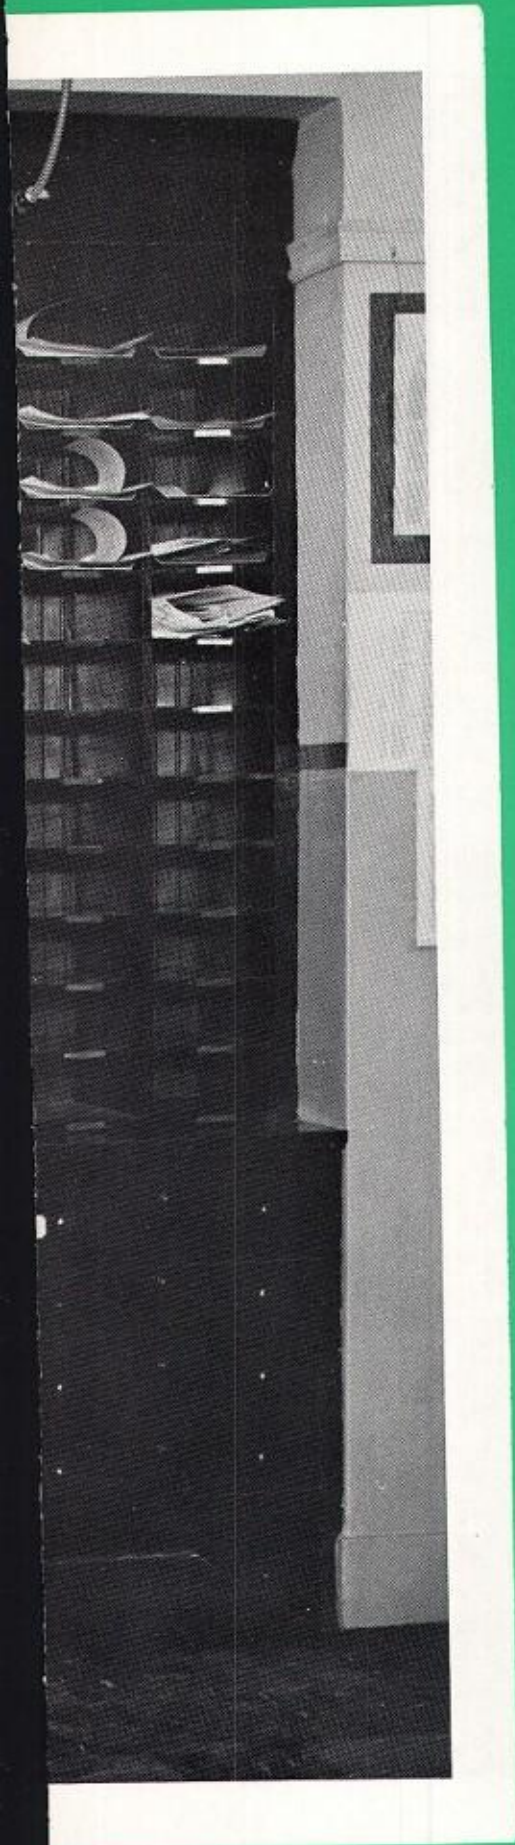

"NOW LET ME THINK—WHAT SHALL I SIGN IN YOUR '61 TIGERTOWN ANNUAL?"

We citizens of Tigertown realized that one spring day we should pack our books and begin our final journey across the bridge. Vast horizons would unfold before us as we looked ahead to a future promising the fulfillment of our dreams and ambitions. Although plans for tomorrow would capture our fancy on graduation day, we should not fail to glance back toward the town where we grew up. With fond memories of our high school life still vivid, we could not forget Tigertown—'61.

Tigertown's Faculty

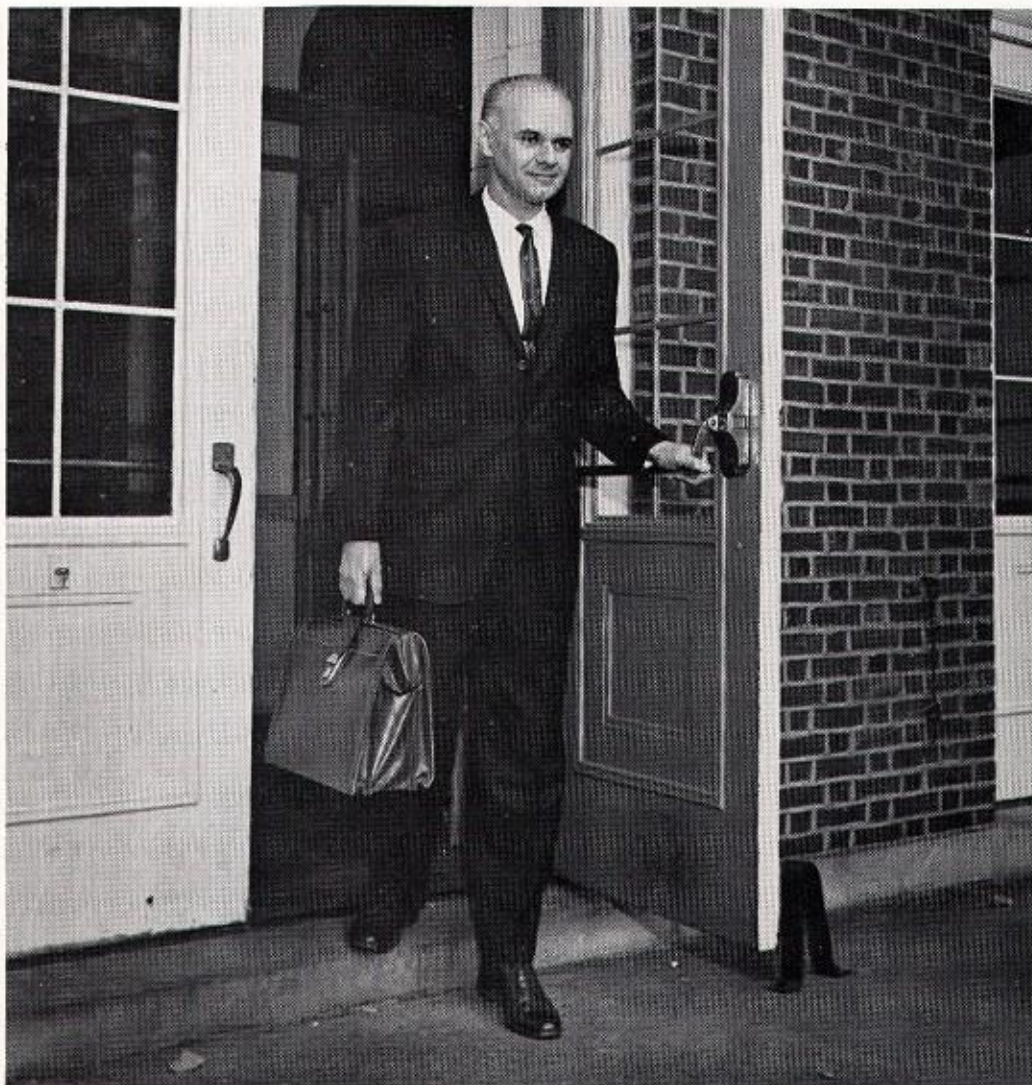

THE GOVERNMENT of Tigertown is in many ways similar to that of a small metropolis. Functioning as primary leaders in the busy center of education are the teachers. Along with their educational duties these men and women must take on various other responsibilities. Besides teaching their students principles and ideals with which to build their lives, they often must act as enforcers of the law, record clerks, bankers, and census takers. Responsible for the actions and judgments of teachers and students both, Mr. Joseph Ayer, comparable to a city manager, performs with capability the countless duties which his office entails. Precision and responsibility are two words which head the list of endless qualities possessed by these, our leading citizens.

AS THE NEW PRINCIPAL, MR. JOSEPH AYER SERVED AS CHIEF ADMINISTRATOR OF TIGERTOWN.

PRINCIPAL

With the initial installment of the new administrative powers, Tigertown began its official new year. With the responsibility and the reputation of Withrow resting on his shoulders, Mr. Joseph C. Ayer, the head executive of our community, accepted his position with confidence. Our civic leaders felt that future security was assured with Mr. Ayer guiding our movements. This belief was substantiated by his past achievements. Through personal contact, the citizens of Tigertown came to respect and trust the judgments and decisions of Mr. Ayer. The honest, sincere manner in which he addressed both student and teacher earned for him the lasting friendship of all those with whom he came in contact. We were happy with such leadership!

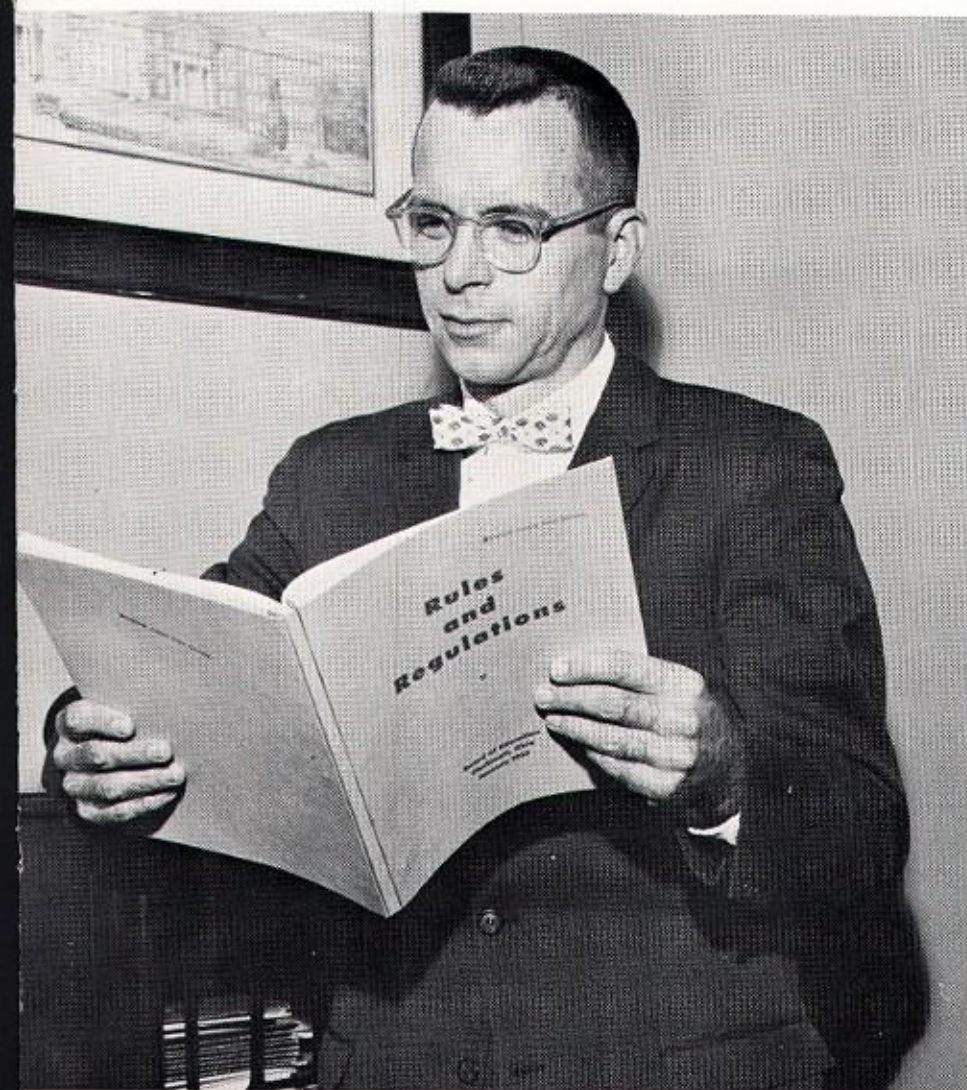

Mr. Anderson Owens

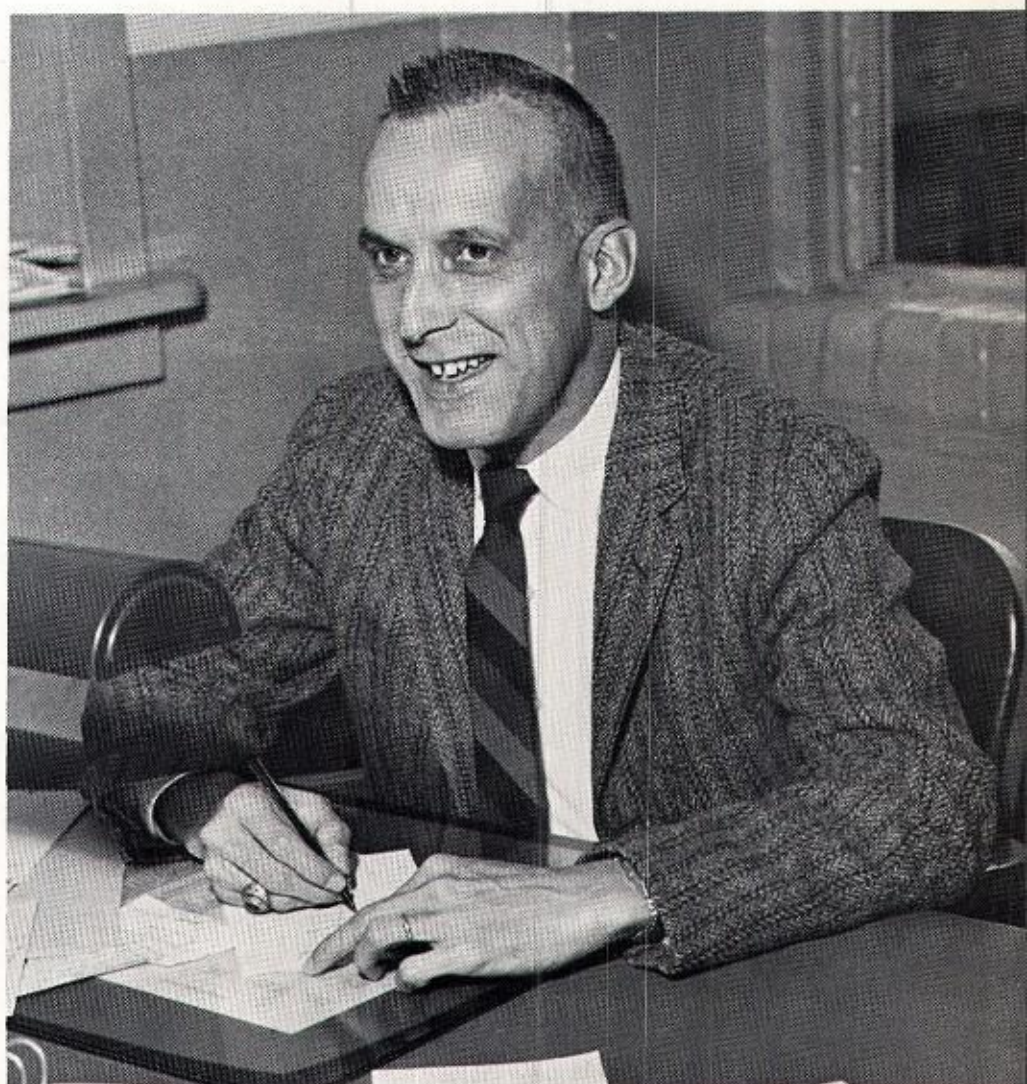

Vital officials of Tigertown were the assistant principals. Their responsibilities were many as they worked together to supervise citizens of Tigertown. Mr. Owens, Senior High assistant principal, doubled as adviser to the senior class and to Sigma Gamma. He was also responsible for the discipline and attendance record of the Senior High. Mr. Buxton had charge of all Junior High teachers and pupils in the main building. Mr. McElhaney supervised the pupils in the Junior High building. Working both individually and cooperatively, these managers of Tigertown solved both great and small problems, and efficiently governed a busy little municipality.

ASSISTANT PRINCIPALS

Mr. Harold Buxton

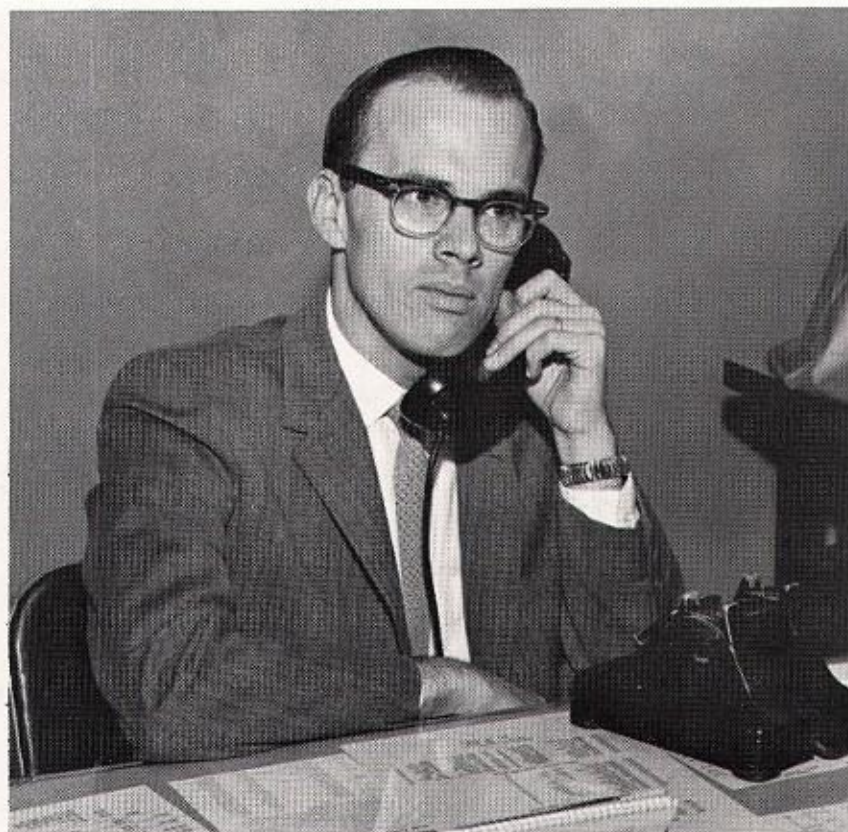

Mr. William McElhaney

Mrs. Virginia Konrad

Mr. Joseph Felix

COUNSELORS

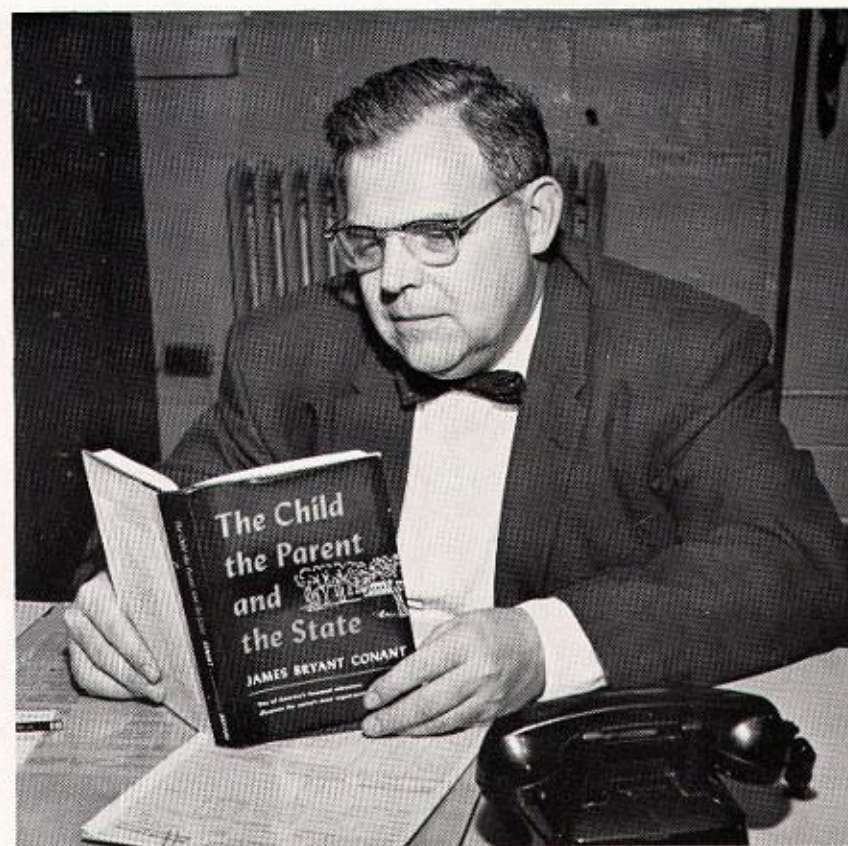

Tigertown counselors were always busy, but always willing to help one solve a problem. Without them Withrow would not have been a complete community. From sending transcripts of grades, scheduling career conferences, and helping with college interviews, to solving behavior problems, our counselors were occupied

throughout the year. Guiding a student in his chosen profession or making suggestions for the future were ways in which the counselors helped make the students better citizens of the community, state, and country. Our parents, too, agree that the Withrow counselors were among the very best, and so to them we owe thanks for our future success in what ever field we choose.

Miss Lula B. Murphy

Mr. Darwin Kimble

Mr. Colin Yacks

Mr. Colin Yacks was constantly on the go as Director of Student Activities around Tigertown. Early each morning he was in his office taking care of attendance. Working toward a better and safer school, he concentrated on the Monitor System, a project of Student Council, of which he was adviser. Helping solve the problems of boys' social clubs demanded still more of his energy.

The management of any community is a complicated and highly important responsibility. It takes the patience, dependability, and well-rounded abilities of people with a sincere concern in the town's interests to keep it running smoothly. These traits and many more were characteristic of Tigertown's devoted secretaries. Their numerous duties ranged from planning schedules to checking attendance and keeping student grade records. Tigertown could feel secure in these efficient hands.

FACULTY

Mr. Gilliland and Mr. Higgins were among the many faculty members who enjoyed congenial summer jobs. Serving as life guards at the Silverton Swimming Pool was an ideal vacation occupation. They represented the fine leadership in physical education and coaching that added to Tigertown's well-being and its prowess in sports. In a community of this size the "phys. ed." department was a complicated affair. The many league and intramural teams represented a large proportion of the population.

Every efficient town has its share of statisticians, accountants, and engineers. Tigertown was no exception, for its competent mathematics department was training pupils who might eventually be in such skilled professions. Thanks to advanced math classes which offered able, industrious students supplementary information in a challenging course, and to capable instructors such as Mr. Keith Wieland, who relieved classroom pressure by joking with his students, Tigertown had an effective mathematics program.

Without paintings to deck the halls and without buildings tastefully designed by skillful architects, Tigertown would lack an artistic touch. By studying under accomplished instructors such as Miss Stose, pictured here in her home, Withrow students learned the essential skills and crafts with which they might someday mold a career in art. Talented boys and girls could develop their abilities in classes covering varied phases of art work.

Tigertown's Seniors

'61 derful! A year to be remembered, especially by the seniors. At long last, these citizens weild the gavels for Tigertown's clubs and receive the glittering crowns of royalty at fun-filled dances. It is they who enthusiastically lead the cheers at the season's last football game, they who triumphantly bring back the laurels of basketball fame and they who catch the gardenia and baton in the famed Minstrel show. Flowers from the Senior Prom, the highlight of the social calendar, are pressed in the scrapbooks as well as the hearts of many reminiscing seniors. The close of this year brings recognition and honor to these departing citizens as Tigertown pays them its last respects. The following pages reveal the faces and achievements of those who made Tigertown '61 derful!

BRIGHTLY DRESSED SENIOR GIRLS ASCEND THE STEPS AT A MEMORABLE MOMENT OF THIS GREAT DAY.

AWARDS DAY

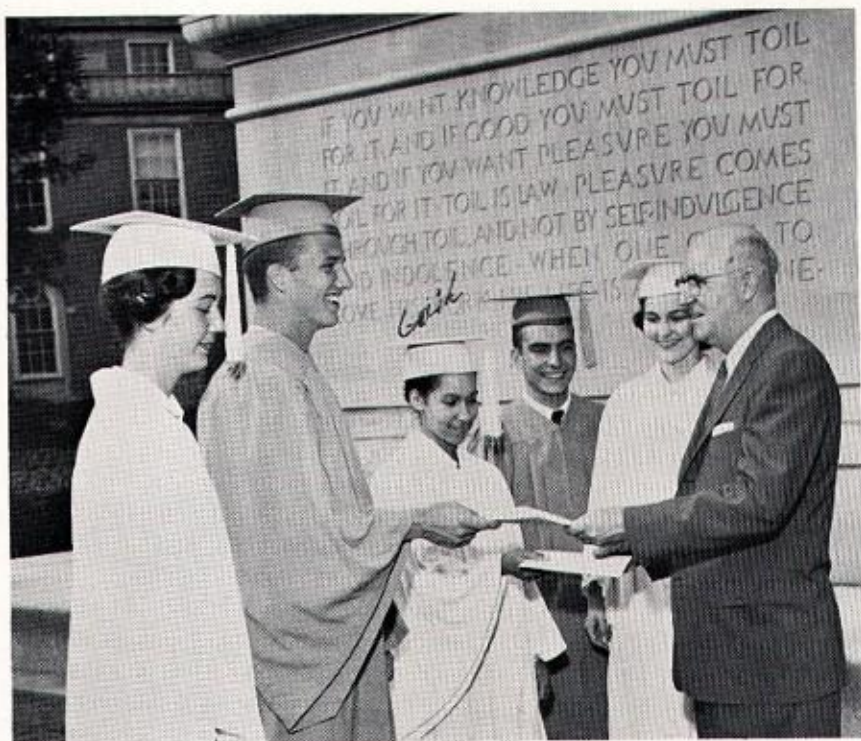

This day at Withrow proclaims an ultimate in the high school life of many Tiger seniors. Teachers, students, and parents assemble on "Senior Day" for the one time in each school year. Dignitaries from renowned schools all across the country gather to present awards to deserving upperclassmen.

Included on the agenda is the granting of partial and full scholarships from celebrated colleges and universities, the recognition of the school leaders and acknowledgment of senior bandmen and senior athletes. The great climax is reached when the new Dux Feminas and Sigma Gammas are called down.

AMID APPLAUSE, SIGS CALL SIGS AT AWARDS DAY RITUALS.

THE CALL TO DUX—A MOMENT NEVER TO BE FORGOTTEN.

PROGRAMS WITH A PRINCIPAL'S AUTOGRAPH ARE TREASURED.

GRADUATION

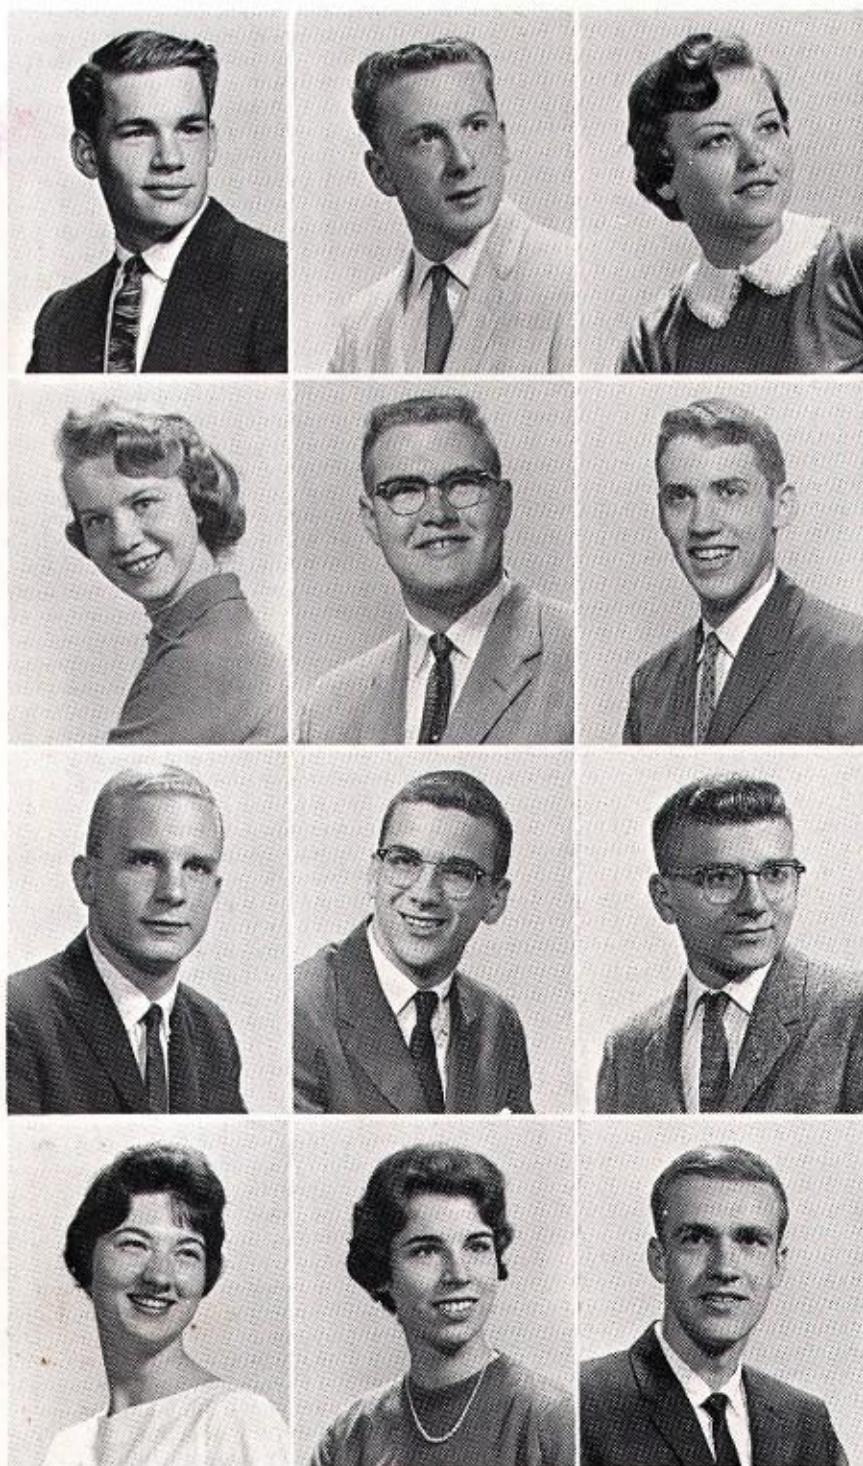

"It's a time for joy, a time for tears, a time we'll treasure through the years . . ." These words come to life again as another class leaves the familiar halls of Withrow. As the strains of "Pomp and Circumstance" fill the air, again a class marches solemnly around the track, preceded by its officers. Garbed in their caps and gowns, these seniors experience the same feelings as all graduates. There is a moment of sorrow, for they must leave behind the joys of high school days. Yet there is anticipation, hope, and wonder of the future. As they gaze upon the expectant crowd, they remember when they were mere onlookers. Now the seniors find themselves in the limelight. Following the salute to the flag and the invocation, the guest speaker expresses his fondest hope for the success of each graduate. The class president then receives the diploma on behalf of the group. His acceptance speech is the highlight of the ceremony. He conveys the feelings of his classmates concerning high school days. After the program, a shower of caps fills the air. Amid the excitement the audience rushes down to congratulate the departing seniors. A hardy handshake, a tear-stained but happy face—these make graduation unforgettable.

WISTFUL SENIORS CROSS THE BRIDGE OF FOND MEMORIES.

NEW HORIZONS GREET THE DEPARTING GRADUATES.

SENIORS

John Arnn, Sigma Gamma's chaplain, was blessed with two great gifts—intelligence and musical ability. His presidency of the Withrow Band and yearly part in the Minstrels bore witness to his talent in music. Even more evidence of his ability was shown when he sat down at a piano or picked up the drum sticks. John's intellectual superiority was illustrated by his high grades. Fraternity brothers considered him invaluable and for this reason elected John their vice-president.

John Diekman

SENIORS

In each class there is usually one individual who stands out because of his prowess in all fields. This year that individual was Sigma Gamma's John Diekman. Though he carried many difficult advanced standing courses, John managed to rank as one of the first in his class. As co-captain of the football team, this Kappa proved that "brain and brawn" do mix. Admired by teachers and classmates alike, this senior has left his mark on all who have known him. Though quiet and reserved, John's inner warmth brought him lasting friendships.

Outstanding personality, leadership, and school spirit were only a few of the qualities of Sigma Gamma's president, Gary Gibbons. As treasurer of the senior class, secretary of Sigma Hi-Y, and a member of Student Council, he proved to be a true leader. This shy, good-looking Kappa helped keep our school on top also as co-captain of the football team and fielder for the diamond-squad. Although Gary was extremely busy with sports and other extra-curricular activities, he maintained a high scholastic average in both college preparatory and advanced standing courses.

"I am ready to lead," was the expressive line in the outstanding campaign speech of Carole Federle for president of Student Council. The first girl president will be remembered not only for a broken tradition but also for her ability in leadership. Her Altruist sisters chose Carole as their president and she was Literary Co-Editor of the '61 Annual. With her searching dark eyes she could find one's problems and offer helpful suggestions. Here is a girl who has given of herself for the betterment of Withrow.

Judy Ferguson

One of the most capable, responsible, and trustworthy girls at Withrow was Judy Ferguson. As treasurer of both Student Council and Altruist, she proved to be a very efficient and willing worker. Dependability and patience were shown as she ably fulfilled the position of Business Manager of Tower News. Her subtle humor, independent nature, and strong convictions won this dark-eyed miss the respect and lasting friendship of many. The long hours spent in intense study were not in vain, for this lively Dux was graduated high in her class.

Withrow is proud of all her senior class presidents, and Tom Glueck is high among them. Only the outstanding can join those ranks and Tom was outstanding in all his endeavors. The Sigma Gammas called him to join their ranks and the Sigma Hi-Y's thought enough of him to choose him as their president. This cute, shy senior with his familiar walk was athletic as well as intellectual. Each spring he was hard at work with the Tiger Swim team, for which he was a letterman in the breast stroke. Next year's president has much to live up to!

Bill Hamilton

SENIORS

Among the students who have added to the prestige of Withrow is tall, cordial Bill Hamilton. His droll wit and his ability to humorously characterize various roles helped to make the Minstrel skits successful. Because Bill was always willing to speak his mind candidly on any subject, his opinions in class discussions were eagerly awaited. Advanced math and chemistry challenged and intensified his interest and proficiency. As an active member of Chi Sig, he reliably managed many club projects. For Bill it was an honor indeed to wear the Sigma Gamma pin of accomplishment.

Marjorie Frame

SENIORS

This cute, shy miss was often seen busily attending her innumerable duties about Tiger-town. Because of her dependable nature, Margie Frame was selected for many influential offices. As prexy of Latin Club and Quill and Scroll, "Marg" displayed her strong leadership abilities. With never a moment to spare, she ably filled her positions as a co-editor on Tower News and secretary of Dux. Her real "altruism" led her sorority to select her vice president. Marg's twinkling blue eyes and sincere warmth have found a lasting place in the hearts of all who knew her.

"BUT I JUST FELL ASLEEP!"

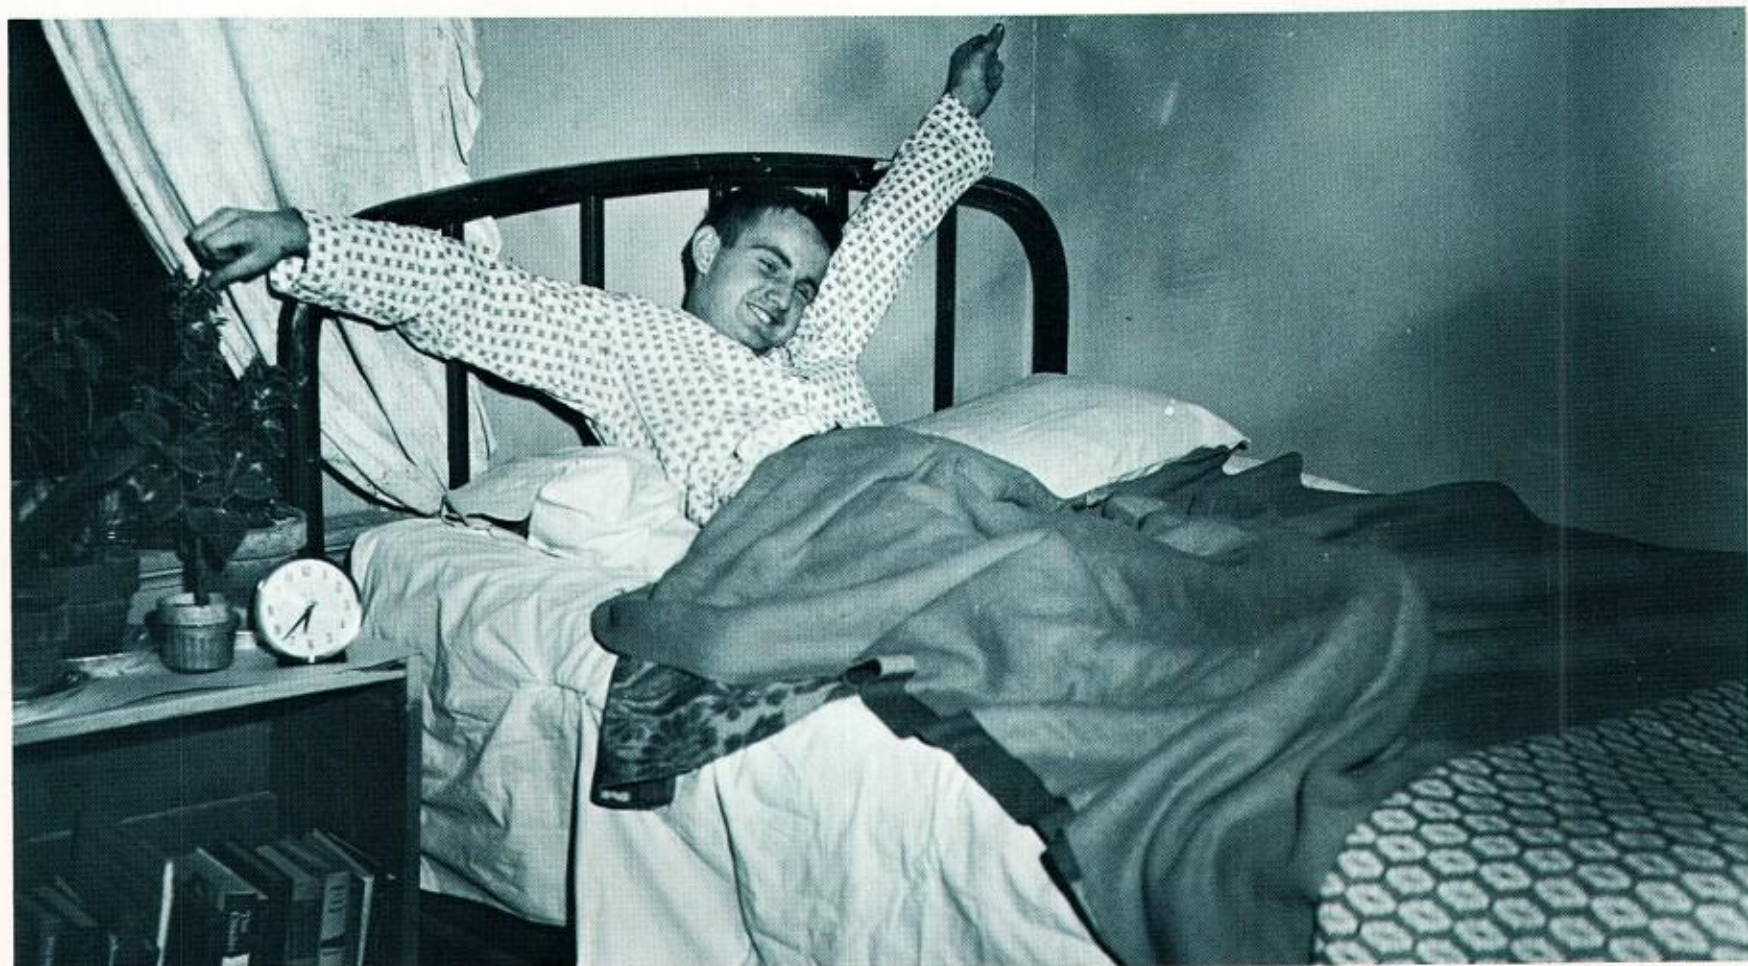

"OPERATOR, PLEASE TELL ME, WHAT'S 2Y SQUARED?"

"RUSH, RUSH, RUSH! WHAT EVERYONE NEEDS IS INSTANT TIME."

Tigertown's typical seniors were seen, always rushed, always busied, but never tired, except in the morning or when it was time to study. They wouldn't have traded their community life in Withrow for one hundred nights of deep sleep, ten answer books, a year's supply of hamburgers, or free reign of the television and telephone. Their schooling was uppermost in their minds. Extracurricular activities also played an important part of the seniors' school life, but were second in importance to the education each gained. Our pictured seniors, Carl Ingram and Charlotte McGraw, did not mind getting up at early hours or eating in a rush in order to catch the seven forty-five bus when they had all that Withrow offers ahead of them. These typical seniors show everyone what a wonderful experience it was to be a part of Withrow's community life.

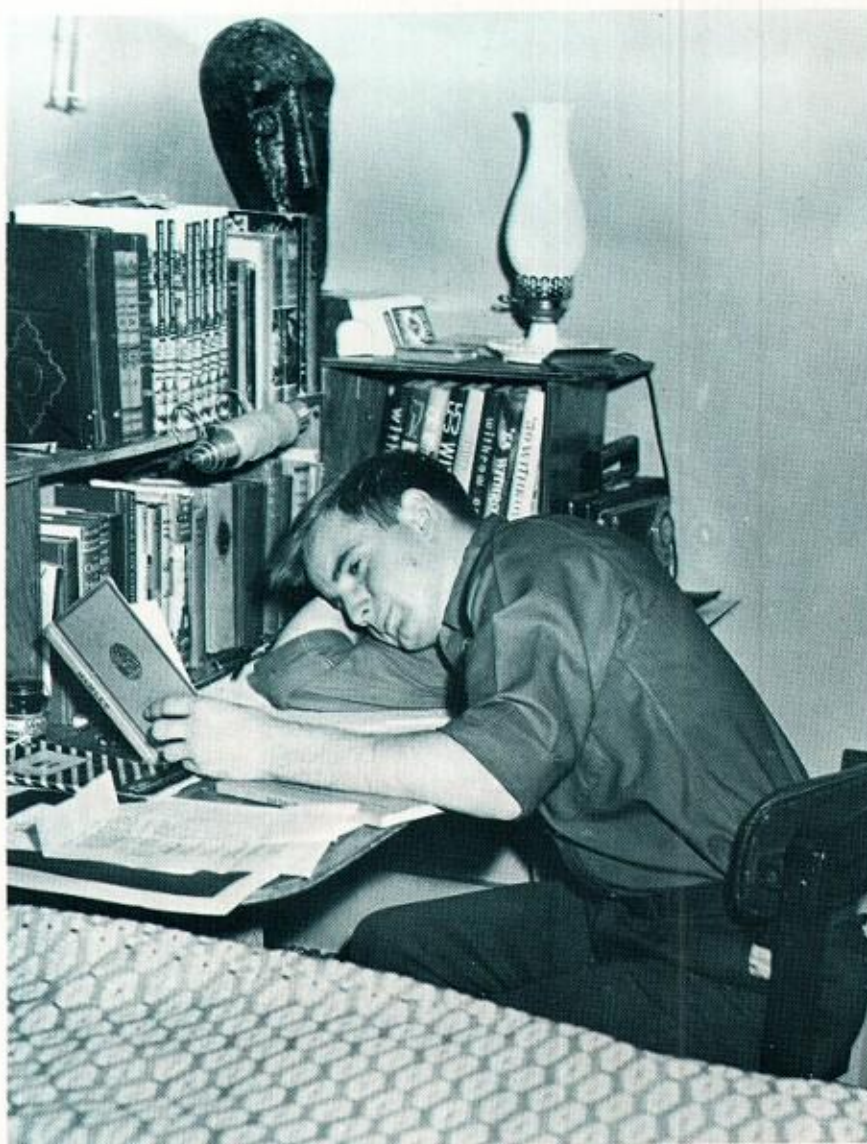

"HO HUM, TWENTY 'TIL SEVEN CERTAINLY IS TOO EARLY; EVEN THE BIRDS HAVE MORE SENSE THAN TO GET UP AT THIS HOUR."

"I GUESS THE JANITOR WILL HAVE TO SAW THE LOCK."

"IF I HADN'T WATCHED DOBIE GILLIS, MAYBE I COULD STUDY."

Bubbling with enthusiasm and brimming with ideas was Judy Hoyt, one of Withrow's busiest gals. When she was not counting out money for BOX, she was balancing the books for Senior Choir. Always on the go, Judy served ably as secretary of Scribblers. Her warm personality and willingness to lend a hand in any problem made her a perfect Vice President of History Club. Joviality and understanding qualified her as a wonderful friend for anyone to have. Whether being called to Dux, or striving scholastically, she was always a winner.

SENIORS

Often seen racing through the halls of Withrow was the familiar figure of a blond senior boy, armed with camera and flashbulbs. A member of Sigma Gamma, Paul Handel was both humorous and sincere. He maintained a high grade average, even in his advanced standing chemistry and physics classes, and was Editor of the Annual Photography Staff. His wit and friendly personality made him a favorite with everyone. Paul's ambitions were centered on chemical and electrical engineering.

TYPICAL TIGERS

As soon as the last snow of winter had passed, the girls began looking for dresses, and the boys started saving money for the long-awaited Senior Prom. This gala affair, held at the Topper Club, added the final touch to a perfect senior year. As the time got nearer and nearer, flowers had to be ordered, shoes had to be shined, tuxedos had to be fitted, and cars had to be washed. Every girl has dreamed all her life of going with her favorite beau to the Senior Prom, but few ever imagine themselves as Queen of this dance of dances. One and only one girl is chosen to hold this royal position. This year the Senior Prom Queen was Miss Carole Federle.

Joann Jarman

A student worthy of the recognition he has received, Fred Howard was a member of both advanced math and science courses. Because of his thoughtful consideration of others, he made many lasting friendships, especially in band and Minstrel stage crew. As president of his church group, he demonstrated his abilities as a conscientious leader. Skillfully balancing his academic work and his activities, Fred certainly deserved his call to Sigma Gamma. A quiet senior, with a friendly way about him, he accepted all his responsibilities with an unassuming determination.

Kae Lewis

Her flair for clever writing and her proficiency in English have earned Kae Lewis various literary laurels. Proudly displaying a silver bracelet inscribed "Scribblers' President," Kae guided the organization efficiently. Page Two of Tower News welcomed her ingenuity and careful planning, for "Louie" served as its editor during her senior year. A profound faith was evident in her every act as she participated in church groups and as chaplain of BOX. Outspoken, sincere, and good natured, this Dux has truly made her mark at Withrow.

"CONGRATULATIONS TONY! YOU WORKED HARD TO EARN THIS!"

CUM LAUDE

One of the finest honors at Tigertown is that of being tapped for Cum Laude. This national honor society is parallel to Phi Beta Kappa in college. The standards, being extremely high, are met only by those seniors who have maintained a 3.56 grade average for eight academic subjects by the beginning of their senior year, or a 3.36 average for eleven such subjects at the end of the first semester of that year. Those students taking advanced placement subjects receive .5 points added to that subject's grade for each year's participation; .1 is added to the grade average of those enrolled in the college preparatory program. The hard-working students who have achieved these high standards are recognized by being tapped at one of the two special Cum Laude assemblies during the year. Miss Dorothy Atkins, of the English department, is president of the Tigertown chapter. Eighteen other teachers, many of whom are members of Phi Beta Kappa and all of whom are outstanding in their various fields, make up the remaining part of the faculty members of Cum Laude. This year, in addition to the fourteen students chosen, our principal, Mr. Ayer, was tapped for Cum Laude.

MISS GROVE EVEN CAME BACK TO WITNESS THE PRESENTATION OF CUM LAUDE CERTIFICATES TO THE DESERVING SENIORS.

BRIGHT SMILES ARE SEEN ON THE FACES OF THE CUM LAUDE MEMBERS AS MR. AYER GRACIOUSLY ACCEPTS HIS NEW PIN.

Talent in almost every field gained Kathie McKee great fame at Withrow. Gifted with a beautiful voice, she was vice-president of choir, a member of Madrigal, and a Minstrel soloist for many years. This all-around gal was also heard at the football games cheering our team to victory. School spirit and leadership were revealed likewise in her participation in GAA, Student Council, Altruist, and most important, as president of Dux. With her charming personality, hard work, and numerous talents, "Kath" contributed to the life and progress of Withrow in many different ways.

Mike McCarthy

SENIORS

Intellect, subtle humor, and congeniality formed the correct ingredients to win Mike McCarthy his membership in Sigma Gamma. High scholastically in his class, Mike received much fame and honor. Mornings before school he was often found joining eagerly in Student Council meetings. On weekends he could be seen "indulging" in meetings of Sigma Hi-Y or those of Tri Chi, at which he presided. Mike led his classmates and he will continue to lead. His membership in Cum Laude was only a sample of what the future holds for him.

His integrity earned him the respect of his teachers; and outside the classroom friendliness and good manners, accompanied by a pleasant personality, gained Ron innumerable friends.

Sincerity, honesty, and integrity describe TN's editor, Carol Rogers. As president of Dance Club she has made many friends. Always to be remembered are her excellent contributions to the Withrow Minstrels, both as a pony and as a soloist. Talented as well as intelligent, this Dux could be proud of the high academic average which was shown by her participation in Latin Club and Quill and Scroll. "Rog" deserves recognition from every Withrowite for her many services to Withrow.

One of the finest things that can be gained in our high school year is a sense of achievement and a job well done. As a successful student, popular Judy Snyder had a knack for organization and for seeing that work ran smoothly. Her intense interest in and excellent contribution to the Annual during her sophomore and junior years made her a competent Senior Art Editor. Making use of her artistic ability, Judy served as chairman of Make-up Committee during Minstrels. Indeed this amiable Dux carried out her many tasks eagerly and thoughtfully.

Johnson, Beverly

Sigma Gamma's vice president, John Penn, was active in all phases of Withrow's curriculum. An intelligent and conscientious student, John earned his high scholastic standing. Outside the classroom, this senior Merman aided the swim team in many an important victory. Recognizing his leadership and loyalties, his fraternity brothers selected him to wear the Kappa president's pin. John's warm, genial nature and spontaneous smile were two more assets leading to his over-all popularity.

Tony Shebanek

SENIORS

Hard-working Tony Shebanek spent most of his after-school hours behind the counter of the Student Book Store. Spending the past two years managing the store taught him to be courteous and mannerly toward his customers, the students. The duties of corresponding secretary, and later of treasurer of Chi Sigma Chi fraternity, took much of this busy senior boy's spare time. After graduating from Withrow, Tony plans to leave Cincinnati and study in the field of chemical or electrical engineering.

Whether responsibility or amusement called, Carolyn Van Epps plunged into the project with enthusiasm. Friendly and gay-hearted, "Kar" warmed the spirits of all she knew. Her dependable nature led her to be the vice-president of Dux and the historian of GAA. Kar's longstanding interest in this club also merited the office of secretary-treasurer for Dolphin Club. Both her sorority and her class displayed their appreciation and respect for this pert gal by electing her secretary. Her individuality and kindness are two traits anyone would wish to possess.

Senior Dreams

Senior girls playing football? Students paddling the principal? Such unbelievable events could only happen in a dream—a senior dream. Surely every girl and boy in his final year has been itching to fulfill some wish he might have had during his six years at Tigertown. Perhaps his whims changed as he grew older. While one year the idea of playing a big bass drum with the band might have captured his imagination, the next year his desires might have lured him to wading in the Tigertown fountain. Could he fancy himself ever actually performing these incredible exploits? If so, only the unexplainable magic of the senior year could make his dreams come true.

BARBECUES AND CANDLES—SUCH ELEGANCE COULD ONLY HAPPEN TO THESE VERY PRIVILEGED SENIORS.

SENIORS

Beauty was not "only skin-deep" for this lovely Dux. Carol's poise and well-rounded personality made her one of the best-known seniors on Tigertown's campus. This pretty miss could be seen correcting copy blocks for the Annual of which she was the literary co-editor or presiding over a BOX meeting. She showed her musical talents as a member of Madrigal and as secretary of Senior Choir. Her Dux scrapbook proved her a good historian as well as a clever artist. Ability and integrity marked Carol a true leader. Talent, beauty, and intellect—a combination hard to match.

Charles Woodward

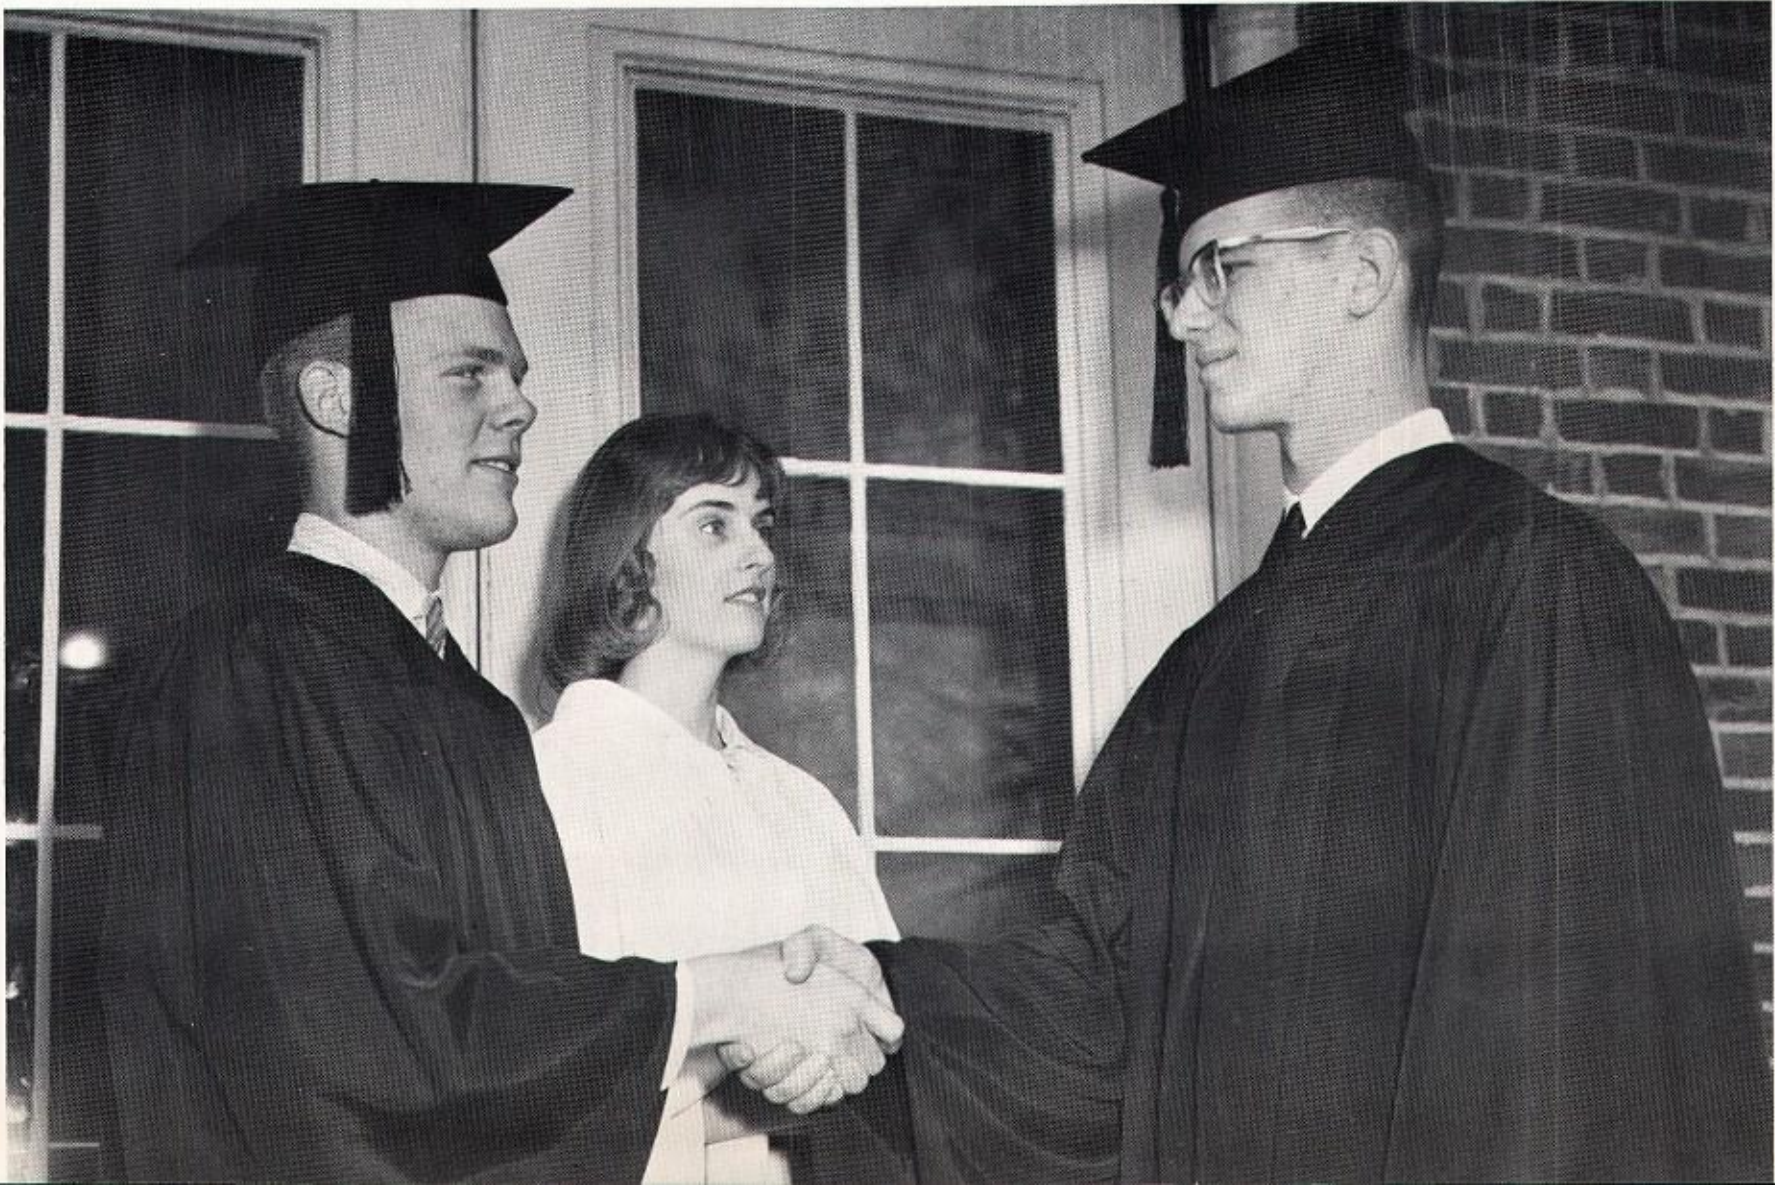

Charles Woodward was known for sincere friendliness. This witty lad, known to many of his friends as "Woody," should also be classified as an outstanding student. An example of Charlie's capability and trustworthiness was his management of the finances of Sigma Gamma. Vim, vigor, and vitality were three words to describe this Sig. As a manager of the football team he often boosted the team's spirit, urging it on to victory. Helping to improve the school as a member-at-large of Student Council was one other side of Charlie's versatile character.

PEP, ENERGY, AND ENTHUSIASM ARE THE MAIN ELEMENTS WHICH COMBINE TO FORM THE CHEERING CHEMISTRY CLUB OF MR. G.

PEP CLUB

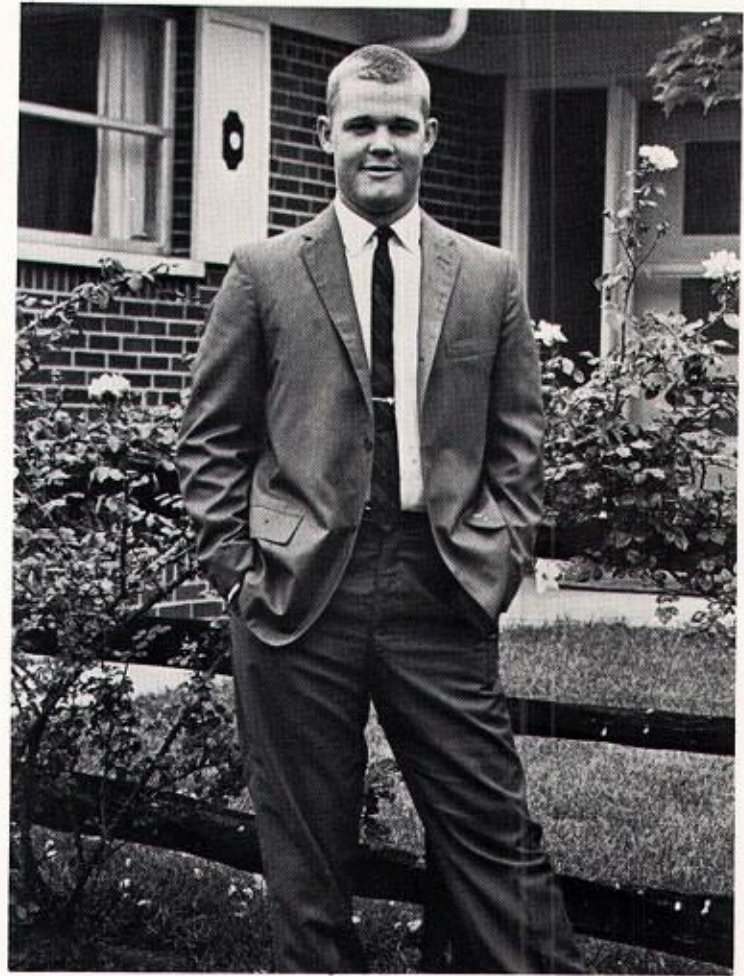

Pep Club, consisting of chemistry students and their friends, met on Tuesdays after school in room 116. Under the lively leadership of Mr. Gallagher, popularly referred to as "Mr. G.," the club worked to increase school spirit in Withrowites. At each athletic event, wearing orange and black Pep Club buttons, these enthusiastic members donned captivating white hats at a jaunty angle. Keepsakes in our memories will be the cheers, laughter, tears, and heartaches that go along with the bus trips, the football touchdowns, the basketball tournament, and the championship swimming meets. It's no wonder Tigertown loved the spirited Pep Club.

The gift of the graduating class of 1961 was an oil portrait of Mr. Cadwallader, painted by Mr. Mueller. Directed by the four class officers, the seniors spent many hours working to raise the money for this gift. A few of the fund raising projects included selling Withrow pennants and raffling big stuffed animals at school dances.

Tigertowns
Activities
Swingin' Jack

During intervals in a twenty-four hour day, Tigertown's citizens bustle about in diverse activities. In room 150 we find those fond of music with their voices blending to give Withrow's Senior Choir an excellent tone. We often observe pupils with various skills working vigorously after hours on Tower News and the Annual. Passing through Tigertown's suburbs we catch glimpses of little France and Germantown. Student Council, the voice of the students, is this town's form of representative government. Each organization offers a different agenda, attractive in its own special way to the individual student. When its activities end, Tigertown becomes a hushed community.

Acting as the citizen's government, Student Council conducted a highly successful agenda this year. Law and order was enforced by the monitors, while representatives worked vigorously toward new goals. The annual Orientation Program was followed by Clean-Up Week, a drive to promote better citizenship throughout Tigertown. The impressive Thanksgiving assembly provided an opportunity to bind the town together in an effort to help the underprivileged. Cards for the teachers and candy canes for all marked the club's contribution toward Christmas cheer. Supporting the Red Cross Drive was another facet of the goodwill projects.

The Council-sponsored Junior Prom provided a memorable night of entertainment for all who attended, while the Scholarship Fund enabled a deserving senior citizen to continue his education. The Student Council banquet closed a prosperous year in the history of Tigertown's governmental body.

As a newly founded organization of Withrow, the Council of Presidents functioned as a co-ordinator of the activities of all the various clubs within the school. Drawing its membership from both junior and senior high, the Council served as a sounding board which effectively settled problems and prevented confliction of dates placed upon the school calendar. Tigertown had a second group, the Interfraternity Council, whose purpose was similar. To this group each social club sent representatives. Meeting under the direction of Miss Steinmetz and Mr. Yacks, the Interfraternity Council aired problems and provided standards for rushing and pledging.

One of the biggest honors a junior or senior girl could have was to become a Scribbler. She submitted an original poem, essay, or short story in order to be considered for membership. The present members and adviser, Miss Susan Richmond, carefully judged each entry. The winning authors were notified by mail and initiated ceremoniously at a tea. Each new Scribbler was thrilled when she received her shiny bracelet from her big sister, for that bracelet brought great prestige to its wearer. Throughout the year Scribblers girls took part in many literary activities. At their bi-weekly meetings they wrote compositions for Tower News, heard lectures, and discussed popular and classical literature.

Ancient Greeks had their goddesses, Europe had its queens, the American Revolution had its daughters, and Tigertown had its Dux girls in 1961. Chosen when juniors by teachers and present members for their high scholastic records and leadership qualities, these twelve girls became part of the honorary group on Awards Day as graduating Dux Femina members acclaimed each girl in a poem. By selling doughnuts to hungry spectators at Withrow football games and gay corsages to Tigertown citizens during the Christmas season, Dux girls raised money for their scholarship fund. Sponsored by the group, the Senior Boat Ride after graduation climaxed an exciting, busy year for twelve lively girls.

Basing their decision on personal integrity, academic achievement, and individual accomplishments, teachers and graduating Sigs chose on Awards Day twelve junior boys to be members of Sigma Gamma. Under the guidance of Mr. Owens, this group sponsored projects for the benefit of Withrow. November ushered in Sig's Tigertown Twirl, the novel carnival and dance enjoyed by all citizens of Tigertown. During the spring months they were busy making careful preparations for the eagerly-anticipated Senior Prom. Throughout the year each boy maintained the high standards of the organization and set an example which underclassmen were proud to follow.

ANNUAL LITERARY STAFF

"Tigertown '61" would never have been created without the ingenuity and originality of the Annual Art Staff. Their duties ranged from cropping pictures to producing layouts and selecting various page colors. Carefully supervised by their editor, the group strove to meet deadlines and develop new ideas. The work, though sometimes difficult, provided valuable experience in learning to work with others.

The Annual Literary Staff was responsible for all of the written material in the yearbook. Working hand-in-hand with the art Staff, this group wrote appropriate "copy" and contributed clever captions for many pictures. In addition, delegated to this staff's co-editors was the selection of all the different type samples used in the book and the manner of introducing the theme—"Tigertown '61."

BUSINESS STAFF

Several invaluable ingredients provided a firm base for the Annual. Without them it would not have been produced. To begin the recipe for a yearbook many original pictures were needed. These were abundantly supplied by the three-man photography staff. The next item on the list was the handling of the sale and distribution. No one but the business staff could do this. The "ad men," also helping, stirred in the needed private advertisements and the recipe was nearly complete except for the most important ingredient of all—the advisers. Mrs. Ladley kept the literary staff cooking, Mr. Mueller's art staff provided all the layout ingredients, and Mr. Rhollans, of business, kept fuel rolling in.

Room twelve, the "bottoms"—this was the familiar address of Tower News, Tigertown's weekly newspaper. Every day during sixth bell and after school top-flight reporters scurried about looking for "scoops." Harried editors double-checked page make-ups. Typists frantically copied endless articles. Armed with bottles of India ink artists sketched amusing illustrations for feature stories. The advertising staff doggedly hounded its many patrons. Members of the business staff put forth valiant efforts to balance the books. A planning committee eagerly discussed TN's February turn-about dance, Cardiac Capers, and the Senior Popularity Poll. Although the staff was exhausted at the end of the day, another issue of Tower News was ready for print.

Quill and Scroll, one of Withrow's two honorary clubs in literature, was composed of avid writers interested in journalism. This national honor society was opened for membership to junior and senior students of the feminine gender who held a high scholastic average and who displayed an enthusiasm for outstanding work in the field of journalism. The group, one of the 7,500 of its kind across our nation, was organized at Tigertown in 1926. Each year members of the Tower News Staff have been selected to join the club on the basis of their literary achievements. A tea was held in the beginning of the year to initiate newcomers, and each girl was presented with a golden key during the formal initiation. Sponsored by Mrs. Betty McDonough, this group of active Tigertowners ambitiously worked to build a treasury so that some senior scholar might receive a needed financial scholarship. By selling black and orange Withrow scrapbooks, the society enabled their fellow students to preserve vividly many of their high school memories.

SENIOR CHOIR

MADRIGAL

"Adeste Fideles" flowed through the darkened auditorium as the Senior Choir, in a glow of candlelight, marched solemnly down the aisles at the opening of the Christmas Concert. Long hours of practice were spent developing Tigertown's famed choral group. Mr. Ansel Martin, aided by the officers and managers, made the year an enjoyable and memorable one for this town's singers. Excitement and pleasure reigned in room 150 during first bell and before concerts, Minstrels, and Choir trips. An extra feeling of pride filled the hearts of those in Madrigal—Withrow's best voices.

ORCHESTRA

MIXED CHORUS

Through their constant efforts, Mixed Chorus strove to master the techniques, theory, and the appreciation of music, both modern and classical. The Christmas season found them practicing intensely for their performance in the Christmas Concert under Mr. Martin's direction they also sang in the Indian production number in Minstrels. This group could justly feel proud of their performances at Withrow.

GIRLS GLEE CLUB

The black and white costumes of the Girls' Glee Club created a sharp picture at Tigertown's Annual Christmas Concert. The delicate harmony of their four-part singing was also appreciated in the waltz number of Withrow's 1961 Minstrels, and in the Spring Concert. Under the expert direction of Mr. Ansel Martin, Girls' Glee Club was always striving for perfection.

Resounding with the blare of shiny brass instruments answered by the boom of the big bass drum, the 1960-61 Senior Band marched in colorful array through the lanes of Tigertown. Perhaps the parade was going toward the stadium to play at a pep rally, or was journeying triumphantly to Hyde Park Square after the Homecoming Game. The march of the music men might have taken them to the concert hall for the annual Christmas and Spring performances. An added sparkle on their instruments suggested that the auditorium, brightly lighted for the thirty-first presentation of Minstrels, was their goal. Majorettes strutting before them, Senior Band rounded a bend into the stadium to perform at Awards Day, where

they, too, were rewarded for a successful year. The accomplishments of Senior Band depended largely upon the capability of its officers and managers. Under the guidance of their student director and president, John Arnn, these leaders proved to be a source of enthusiasm and pride instilled in the members of the famed Withrow High Senior Band. One of the various duties carried out by the officers and managers was the selection and arrangement of assemblies presented for enjoyment of the citizens of Tigertown. The selection of the numerous contests and affairs in which the band participated was only one of the responsibilities of Senior Band's chosen leaders.

JUNIOR BAND

Officers: N. Godell, L. MacDonald, Mr. Lackey, A. Chisholm, M. Pfeiffer.

Marching in the footsteps of the famed Tigertown Senior Band were the members of Mr. Lackey's junior high group. Proudly the instrumentalists and majorettes paraded down the field at football games, the brass buttons of their new uniforms shining in the sun. Junior Choir and the band combined in March to present the Early Spring Concert. To promote interest in this musical organization, the "big sixty" visited Kilgour, Hyde Park, and Mt. Washington grade schools. When little Tigertowners blew their horns, the whole junior high stopped to listen.

"LUCILLE, COULD YOU STAY WITH US FOR DINNER?"

"SHE DERAILED THE TROLLEY? THIS FAMILY'S MOVING TO NEW YORK!"

MEET ME IN ST. LOUIS

"Meet Me In St. Louis" was a new and delightful treat for theater loving residents of Tiger-town. Since a show of this type had not been presented here for six years it proved a real sensation. Miss Rosenberger's coaching and Elston Hurst's stage setting made for a smooth artistic play. The two months of intensive rehearsals paid off when the cast felt, from the first line to the final exit, that it had a responsive audience. The appreciative laughter rippling through the crowd warmed the cockles of the actors' hearts.

"ON SECOND THOUGHT, PERHAPS WE WON'T HAVE TO MOVE TO NEW YORK."

"SHE DIDN'T MEAN TO THROW THE CAT, DUFFY."

"NOW WHAT COULD I DO WITH A PAIR OF TROUBLE MAKERS LIKE YOU?"

LUNCHROOM WORKERS BOOKSTORE WORKERS

Bookstore Workers: T. Barrett, T. Shebanek.

Just as familiar a sight as Withrow's tiger, were the hundreds of pens, pencils, note books, and other school supplies that were a necessary part of life at Tigertown. All these and many more could be purchased in the bookstore with the aid of friendly, efficient helpers. This convenient service kept scholastic commodities at the student's fingertips, thanks to the boys who devoted their valuable time to its smooth management Mr. Knost's lunchroom staff repeatedly accomplished what seemed an impossible feat—that of feeding hundreds of hungry Tigers each day. Their duties included everything from cutting and arranging food to operating registers and cleaning up.

Library Workers: J. Dawson, T. Fletcher, M. Santoro, J. Cameron.

Tigertown's little helpers were seen bustling about in all phases of Withrow's community life. The office and library helpers played, indeed, a very important part in the everyday rigmarole. Bringing books from the student bookstore, placing them on the shelves, and taking books to the teachers were just a few jobs which the library helpers performed. Books being a student's best friend, Withrow helpers preserved reading material for all. The office helpers' duties were varied. Answering phone calls from irate parents, checking absences, and typing were the jobs of the office aids. The citizens of Withrow High owe much to these people who contributed to the betterment and proper functioning of the school, the organizations, and all the students.

BETA HI-Y

Some of the most important pieces of information taught the pupils were from the various educational films. It was Withrow's projection crew who introduced these films to the pupils. Mr. Hebert Heger, faculty adviser, saw that the crew could run all of the needed equipment and interesting films without any delay or difficulty.

Aside from their bi-weekly meetings and athletic competition, Beta Hi-Y devoted much time to various welfare projects. Under the direction of Richard Steubing and Mr. William Pitcher, Beta Hi-Y was able to help conduct the Christmas Program and the Thanksgiving services before school.

Sigma Hi-Y and Alpha Hi-Y, branches of the state-wide organization of YMCA in our suburb of Tigertown, were clubs that promoted the spirit of Christian fellowship. Alpha Hi-Y, made up of sophomore boys, and Sigma Hi-Y, with a membership of senior boys, were very similar in their activities. These citizens of Withrow were interested in the furthering of brotherhood. Both clubs were under the leadership of Mr. Pitcher, faculty adviser, and were affiliated with Williams YMCA. Sportsmanship was upheld when the Hi-Y boys participated in athletics, of which baseball and basketball were favorites.

OFFSET CLUB

Successfully closing its first year, Art Club stimulated artistic interest in students through its creative activities and discussions. As sponsor, Mr. Mueller supervised the club's plans for a bake sale, mosaic work, and a future art exhibit. Accepting the duties of president, Jean Grable conducted meetings and informal discussions. Art Club proved to be a worthwhile addition to Tigertown's activities. To those interested in publishing, Offset Club was a rewarding experience. Indispensable around Tigertown, the Offset Club members conscientiously printed handbills for many activities. Minstrel programs and football schedules were only two of their major projects. Under the direction of Mr. Haymond, essential qualities of printing were learned.

An organization of senior girls called Future Merchandisers helped to introduce the business world to its many members. Each girl worked in co-operation with a Cincinnati businessman, gaining experience and receiving on-the-job training. When not working at the various jobs provided for them by the Retail Merchants' Association, they held bake sales and various money raising projects. Each Christmas, the Merchandisers sold stuffed animals to their fellow classmates. On Valentine's Day they, with Miss Garnet Gooley, their adviser, entertained the little tots at Children's Hospital. As a part of the Distribution Education Clubs of America (DECA), the club attended a Regional Convention which was held at Ohio State University.

JUNIOR Y-TEENS

Junior Y-Teens, made up of seventh and eighth grade girls, was a branch of the YWCA. Emphasizing service to the community, this organization sponsored many charitable projects. By selling potato chips and having an old clothes drive, they were able to finance these many worthwhile undertakings. Along with the inner warmth and satisfaction these girls received from doing things for others, they received much enjoyment from swimming parties at the YWCA and exciting meetings.

SPANISH CLUB

The Spanish speaking citizens of Tigertown had fun while they learned about the Americas to the South and the Castillian regions, during their monthly meetings of Spanish Club. Movies shown by Miss Jones, adviser of the organization, a Christmas party with a pinata and an exhibition of Spanish dancing gave enjoyment to the members. Through the meetings, each of the members was afforded a better understanding of the language and the people of the Latin-countries.

GERMAN CLUB

German Club and French Club, more commonly known to those in Tigertown as, "Deutch Verein" and "Le Circle Francais," brought to their members a more concise view of our neighbor, Europe. At Christmas time, each club had a party for its old and new members. French Club gave a play entitled "Le Noel de Petit Jean." These two clubs, holding meetings once a month, with the exception of January because of exams, proved beneficial to all. These meetings were planned by the officers and advisers, Miss Kemme of German Club and Miss Benedict of French Club. Speakers were asked to give talks on what they had seen abroad; skits were given in the interest of education and amusement. Songs were sung to give each experience in the language, and stories were told to relate customs.

If a stranger visiting Tigertown were to see white-togaed figures walking through the streets, he might suspect a Roman invasion. In reality, Latin linguists would probably be having their monthly meeting of Gens Togata. Inquisitive Latin students, interested in learning about ancient Roman customs, made up the membership of this club, organized thirty years ago. Under the auspices of Mr. Zimmermann, these enthusiastic boys and girls gained an appreciation of the Latin language by often presenting original, amusing plays. The crowning of the new consul prima at the spring banquet climaxed another eventful year for members of Gens Togata.

A LOYAL THALIAN MAKES READY TO GIVE HIS LIFE FOR THE PLAY.

Like any prosperous town, Withrow boasted an excellent group of actors who added a touch of drama to the curriculum. Thalian Club, under the supervision of its adviser, Miss Marjorie Rosenberger, sponsored the production "Meet Me In St. Louis," an undertaking that proved highly successful. Though months were devoted to organizing this activity, members still found time to visit the Findley Street House at Christmas and enact the hilarious skits for the Minstrel Show. A dramatic assembly incited outside interest in the club and won new members to drama.

ALPHA Y-TEENS

One of Tigertown's most important organizations was that which was affiliated with the YWCA. Under the direction of Mrs. Evelyn Hodory, Alpha Y-Teens undertook several projects to help promote fellowship among girls. The members made "Pinky Dolls" for the patients at Children's Hospital, sold potato chips, and attended the bi-monthly meetings of the organization. At one of these gatherings this group of active girls

heard a panel from Fellowship House. Indeed, 1961 proved to be a very advantageous year to all who belonged to the club and those who benefited from their work. It was through working together that the members made new friends and improved associations with the school and the community. This club will be one that will last as long as Tigertown.

Sororities were the best ever and these twelve girls set out to prove it as Withrow's newest sorority. "Remember the fun you've had here . . ." always brought a warm glow of happiness and sisterhood to the forty-four members of Alpha Beta Kappa. The ABK's had lots to do in '61. With a theme "Movietime ABK" the actives entertained the rushees. Their annual dance, Gridiron Gallivant, honored the outstanding football player, Ed Dent. Formals, a "Roaring Twenties" date party, the family picnic, rummage sales, and a visit to the Children's Convalescent Home enabled the "sisters" to understand the true spirit of group co-operation.

An Altruist girl represented many ideals in Tigertown. "A" stood for her ability to make friends, as proven by a festive and successful rushing season. "L," representing loyalty to friends and school, was emphasized by her open house in the fall. "T" conveyed her trustworthiness as she collected for charitable organizations. Underprivileged people in needy homes found that "R" represented her reverence to God. This citizen was useful at all times, for "U" meant sending boys to summer camp and having bake sales for hungry Tigertowners. "I," her interest in others, was portrayed through her social parties and bid formals. "S" was sincerity, conveyed as she worked diligently in order to donate a large sum of money to the Cancer Fund. Truthful to herself and others, "T" meant that she set worthy standards to maintain the high ideals of her town, Tigertown.

"We are from a sorority that rates high. Blue and gold are our colors, Beta Omega Chi." This line, quoted from one of the BOX's favorite songs, served as a constant reminder to the girls that in order to "rate high" they must ever strive toward their aim—to develop the very best in girlhood. Combining energy and talent to build their prize-winning Tigertown booth, The Three Bears, gave each girl a sense of accomplishment. The hours spent planning the East-West rush parties proved work was a pleasure. The joy of giving at Thanksgiving and the peace found in attending church as a group reminded the sorority sisters of their pledge always to further high ideals. No wonder BOX's could end their song with pride, "we are happy together, all hearts one. B-O-X is the best club found 'neath that great big sun."

Kytyves sorority of Withrow High School was quite busy this year advocating good will towards others, having fun, and making money to finance their charity and amusement projects. This year the theme of Kytyves' rush parties was the Circus; merriment reigned and a new pledge class was welcomed to the Delta chapter of the sorority. Slumber parties, formals, and vacations at Lake James proved fun for every member involved. Fun was not the only enjoyment the Kytyves girls experienced—there was also the inner satisfaction that results from helping others. This was accomplished when the Kytyves girls visited a rest home for elderly men and women.

Oh yes, a Tally-Ho was "quite the stuff" in '61. Swept up in a busy whirl of rush parties, alumnae teas, and Christmas formals, she worked closely with her sorority sisters in planning a successful year. Her open house in October was highlighted by the tempting invitation "all you can eat." How did she spend her Saturdays during the next month? She made hundreds of red carnations for her memorable Homecoming float. Imagination and ingenuity helped her create the delightful "Cherry Flip" booth, which beckoned all at Tigertown Twirl to its giant pink sodas and fascinating game. Christmas time found her donating baskets of food and gifts to a needy family. With its colorful costumes and gay decorations, New Orleans' Mardi Gras came to town when she presented a gala ball in April. Recognized by her sense of humor and winning smile, she was a Tally-Ho at Tigertown in '61.

Co-operation and reliability headed the list of "musts" for the social club Theta Omega Chi. The members were able to use their artistic ability during the preparations for their annual spring formal. A popularity poll provided the girls with a chance to show their appreciation and admiration for their co-workers. Being cheerful and friendly is something which did not go unrewarded in TOX.

'Sixty-one was indeed a busy year at Tigertown for the girls of Iota Sigma Chi. Soon after rushing this lively group began plans for their Mr. and Miss Ivy dance. Still walking on air weeks after their impressive Christmas formal, they presented the Basketball Bounce. The club's help in the sale of Easter lilies did much to benefit crippled children. Proud of their school, the IEX girls gave their best to Tigertown.

Looking back on their social calendar, the Chi Sigs were reminded of many successful projects. During the fall months they were not only busy with rushing but also with two rousing date parties. Along with the glitter of the holiday season came their festive Christmas formal, when they joined BOX at Kenwood Country Club. A rummage sale and the distribution of "Names 'N' Numbers," a directory of students and social clubs at Tigertown, added to their treasury. June concluded the year with an all-day picnic. Through hard work, coupled with zeal and close co-operation, the boys of Chi Sig learned the meaning of true brotherhood.

Tri Chi, founded in 1944, is one of Withrow's leading social organizations. It was originally founded as an athletic club with a high ethical and moral code which forbade any drinking or smoking. Now as a social fraternity, the Tri Chi's still uphold their high principles. Because they worked harmoniously together, the members learned the true meaning and understanding of brotherhood. Tom Glueck, king of Tigertown Twirl, and Ron Palmer, king of Cardiac Capers, brought the club recognition. Activities were not scarce for the "brothers." Their annual Christmas Formal at the Sheraton Gibson and a New Year's Eve date party highlighted the Yuletide season. Stag nights, rummage sales, car washes, paper drives and a "swinging Beat party" with the famous XXX tape recordings balanced this year's numerous activities.

Backstage Elston Hurst and his crew focused glaring lights, collected props, and adjusted microphones. Secretaries scurried about, double-checking the hundred and one items that required attention. "Smittie," wearing his traditional gardenia and a broad smile, took his place before the orchestra. In the wings chorus members sneaked last looks at their number "Lucky Day." Ponies nervously polished tap shoes once more while the opening trio made sure their petticoats were not showing. Behind the curtain lingered a hushed excitement as "Smittie" gave the cue to dim the auditorium lights. Heralded by the thunder of drums, the Withrow Minstrels began its thirty-first great year.

The Minstrelers of 1961 celebrated another year of success. The theme of the music production was Hans Christian Anderson. Bright colored costumes of the senior choir produced an atmosphere of lightness and gaiety. One of the first regular productions in the show was a train number. The peppy soloist sang "Chattanooga Choo Choo" while a novelty baton dance was done by two of the majorettes. A broken-down train chugged onto the stage and the ponies tried in vain to make it run. Although the soloists and duets were extremely important, the show would not have survived without help from ardent ticket sellers and courteous ushers and usherettes. Each had his place in the show and each helped make it a success.

All the colors of the rainbow were blended with the harmonious sounds of music in the glittering productions. The ponies pranced on to the stage doing graceful waltzes, high kicks, and war dances that depicted the American Indians. The endmen changed the mood of the audience while the stage crew quickly and efficiently set the background for the next production. The sets were symbols of the many months of hard work by the most artistic citizens of Tigertown. The skits were welcomed by the viewers as a diversion from the more serious numbers of the show. Their quick and humorous lines, that were carefully rehearsed, added mirth and joy to the Minstrels.

While a cosmetic-splashed make-up committee added retouches of color to performers, members of Presentation Orchestra played the beginning bars of "We Are the Minstrelers." Greeted by the welcome applause of the audience, both cast and crew alike knew there was "no business like show business" and no show like the '61 Minstrels!

Tigertown's Sports

FROM BARREN PRACTICE FIELDS to over-crowded stadiums, from initiatory wind-sprints to near perfection, the Withrow "team" spirit keeps moving on.

From cross-country and football in the autumn, through basketball and swimming in the winter, and to baseball and track in the spring, Tigers presented themselves with a pride only "Withrowites" can experience. This may sound highly picturesque and sentimental, but Withrow sports are an imposing tradition and, after as successful an athletic year as this, we can look back with only the self-esteem that outstanding success brings. From the fierce competition to the silent, empty locker rooms, Withrow's high position cannot be denied.

Everyone knows what it takes to have a winning football team: an able squad, a good coach, and strong student support. But, when compiling a list such as this, one usually omits the essential, known in local circles, as "time." With just a little more time, Coach Ray Hartker will have rebuilt Withrow into the powerful threat that she was.

SENIOR LETTERMEN

When the team marched from the field after the finale of another hectic football season, certain players could be singled out as having contributed greatly to the squad's total effort. These **Senior Lettermen** earned a place of honor in the annals of Tigertown. Many of these modern gladiators will go on to play college ball, while others will give up the sport completely; but next year there will be more seniors to take their places. At the Football Honor Dance in December, many of these same players reaped their team's awards. Receiving trophies were Phil Ritchie, player of the year; Bruce "Beast" Burton, best defensive lineman; John Diekman, best offensive lineman; Gary Gibbons, best defensive back; and John Smedley, best offensive back. These five, and the other ten seniors who were considered worthy of varsity letters, are all truly fine representatives of the spirit and desire of our little borough.

EXCITEMENT MOUNTS FOR THE MANY TENSE SPECTATORS AS ANOTHER RIVAL, TACKLED IN A THRILLING PLAY, BITES THE DUST.

RUNNING FROM THEIR DEN, THREE ROARING TIGERS STALK THEIR PREY.

The second stage of Coach Hartker's inevitable football rocket blasted off with mediocre success. In the opener the Tigers were soundly beaten, 55-0, by a seasoned Roger Bacon eleven. Withrow's only ray of hope came in the third quarter as the team commenced a long drive, only to be stymied on the Spartans' ten. Coming back like Tigers, the team was able to beat St. Xavier for the first time in seven frustrating years. On the fourth scrimmage play a lineman broke through to block an "X" punt at the twenty. Dent carried around left end for a score. Later, Jim Selbert ran thirty yards on a fake punt and Smedley scored from the fifteen. In the second quarter another punt failed and Butch Williams plunged for two yards and a TD. Final score, 18-6. On a warm Friday afternoon, the Taft Senators overwhelmed the Tigers, 23-0. The highlight of the game came in the second quarter as Smedley traveled sixty-three yards to Taft's two, only to be called back on a clipping penalty.

TACKLED TIGER BALL CARRIER TUMBLES AS A FIGHTING OPPONENT HITS HOME.

Withrow's record went to 3-1 with the next two games. The Tigers lost a well-played game to Elder's Panthers, 30-22. First half scoring was close; the Panthers led by two. After the second half kickoff, Elder again scored. Dent scampered around left end for a touchdown. Elder surged ahead in the fourth quarter. Withrow fought back with fifty-six yards on a double reverse. Opposing a tough Deer Park squad, the Tigers struggled to pull an 8-2 decision from the fire. Having blocked a "Selbert" punt for a safety, the Warriors carried a two point edge at the half. Gaining momentum, Withrow combined runs by Dent and Ferone to gain a TD and a victory

HALFTIME INSTRUCTIONS AND CRITICISMS CREATE A REVITALIZED TIGER TEAM.

The Tigers dropped two close games in succession; an 18-12 decision from Hughes and a 14-6 loss to Central. In the Hughes game the Big Reds came from behind to score two TD's and win. Hughes' second period tally was followed by a Withrow score when Smedley trotted fifty-nine yards to "goal-dust." The score in the final period still 6-all; Dent made a short plunge for six, but Hughes reciprocated on a one yard play. With seven minutes left, Hughes connected on a forty-three yard play to clinch the victory. Against Central at Trechter, Smedley plowed over center for an early score. Central soon made it 6-6 on a forty-nine yard run. The score remained fixed until late in the game when a Knight slid around right tackle for the decisive blow.

A TIGER WINGS A WALNUT HILLS EAGLE DURING THE HOMECOMING GAME.

Two easy victories for Withrow were separated by a defeat. Under the Tiger onslaught the West High Mustangs succumbed, 42-6. Taking the opening kickoff and marching ninety-five yards in thirteen plays for the first score, the Tigers began a series of touchdowns. An intercepted pass and run of fifty-three yards by Horace Heffner, plus touchdowns by Smedley, Ritchie, Ferone, and Dave Smith, all added to the final score. The story was different against Woodward. In losing, 22-0, the Tigers could only show a thirty-eight yard broken-field run by Ritchie and an intercepted pass by Gary Gibbons. But in the final game of the season, against Walnut Hills, Withrow massed twenty-two points to whitewash the Eagles, 22-0. Smedley moved the ball thirty-two yards, then carried for one and the marker. Phil Ritchie caught a mid-air fumble and ran twenty-two yards. To end the season's scoring, Bill Ferone staged a fake punt play for forty-seven yards. With this final game, Withrow was able to post a season record of six wins and four losses.

RESERVE FOOTBALL

PRE-GAME DUTIES INCLUDE CHOOSING THE TIGER LINEUP.

Webster defines victory as "the act of overcoming an opponent in a contest." Victory was Reserve Coach Jim Williams' chief goal. After a slow start of three consecutive defeats, his team came into its own and managed to gain four victories and a tie in the final five games. Many of these reserve players, possible successors to their respective varsity positions, were invaluable to their team. When the football season opens next year, plan to see these same players aiding the varsity squad.

BASKETBALL

COACH HUHEEY AND CAPTAIN BILL KNOT.

Withrow's champion basketball team owed much of its success to its three efficient managers. Head manager John Linnenberg was assisted by Dave Schmidt and Cornelius Glenn. They kept the equipment in order, kept records on the team, and cared for the varsity and reserve uniforms. Running the junior high clock was another duty. The cheerleaders, captained by Mel Hartenian, sparked the school spirit and rallied the team on to victory. They worked in co-operation with the Pep Club, or Voices of Mr. G., to spur the boys on to win the district title. For this feat the boys received a cake. Pep Club, led by Mr. Gallagher, sold hats, pins, and shakers with "Go, Tigers, Go" imprinted on them. It conducted the only assembly during the season, gave corsages to the cheerleaders, and sent a telegram to the players.

PLANNING MAKE FOR GOOD STRATEGY.

A phenomenal break marked the past Freshman season. Victorious in their first five games, the Tigers permitted their opposition to score of eight points while running up a hundred-fourteen points for themselves. Unsuccessful in their two final games, the Tiger Cubs were thwarted in their bid for an undefeated season. Coach Rolfes, laying the groundwork for future varsity squads, uncovered several potential leaders. Both David Sherman and David Bornhoffer were major varsity prospectsives.

SENIOR LETTERMEN

No praise would be too great for the 1960-'61 Withrow Tigers. The bounding Bengals bounded to a seven game victory streak before losing a heartbreaker to Middletown on their court, 66-65. The first two games at Sycamore and Princeton were prologues to the over-all pattern of success. The Hughes and Purcell games were both nip and tuck battles with the victories coming in overtime periods. Woodward and Western fell easily, as did arch-rival Anderson. But the Middletown game was a farce as the Tigers lost by a point in a game agreed by both sides to have been poorly officiated. Taft was an easy conquest in their first game with Withrow, but it took an overtime to down the Central Knights, 72-71. Triumphs in the Norwood, Walnut, and Hughes games brought the hoopsters a 12-1 tally. Then came a period of cold shooting and bad breaks in which Withrow lost games to Woodward, Western, and Taft by three, one, and four points, respectively. Reversing last year's record, the Tiger hardcourtmen downed Central for the second consecutive encounter in an overtime. An easy win over Walnut Hills brought Withrow to a 14-4 season record and second place in the P.H.S.L. This past season was one of the finest Withrow has ever had in the sport of roundball; second only to 1952's Regional Championship year.

CONTRARY TO POPULAR OPINION, THESE PLAYERS ARE AWAITING THE RETURN OF A BASKETBALL, NOT SWATTING MOSQUITOES.

IN HIS USUAL RELAXED MANNER ROLAND WEST FIRES A JUMP SHOT.

"We are the Tigers! Mighty, Mighty, Tigers . . ." was the cry, and the answer was a championship team. With only four seniors leaving, the Withrow squad will surely come back strong next year. Led by team captain, Bill Knost, the hardcourtmen posted an enviable 14-4 regular season record. Also contributing greatly to the team were sparkplug Phil Ritchie, aggressive Bob Stanforth, and Bruce "Beast" Burton. Added to these were high-scoring Charlie Orr who was All-City and Roland West who was a member of the All-District five. There was also Dick West, Bill Ferone, Jim Williams, and Bob Wiggins to round out the juniors. The two sophomores to make the team were the ex-Eastern Hills hot-shots, Jim Nichols and Bob "Jumpshot" Johnson. These twelve dribbled their way to the fabulous District Championship.

VARSITY PLAYERS WORK OUT THEIR SPLINTERS WHILE PILING ON POINTS IN AN EASY VICTORY OVER THE NORWOOD INDIANS.

"THEN IT'S DECIDED THAT IF WE WIN WE'LL ALL MEET AT FRISCH'S AFTER THE GAME FOR A CELEBRATION, RIGHT BOYS?"

"DON'T LOOK SO SHOCKED, YOU GUYS! I CAN MAKE IT!"

It took nine frustrating years for the Withrow Tigers to return to the Southwestern Ohio Regional Tournament as participants. Striving to improve on last year's 12-6 regular season record, the confident Bengals opened the season with an unbroken string of seven victories. There came a close loss to Middletown and then the Tigers returned to their winning ways. The slate showed Withrow's record as 12-1 when the weather got the best of three regulars in succession. Captain Bill Knost, Charlie Orr, and Dick West all missed games due to illness, and as a result the Varsity five lost three straight games. The campaign ended on a happy note as the Tigers overcame Central and Walnut Hills. Withrow ended the season with a 14-4 record for the third-seeding in the tourney.

A WITHROW SHARPSHOOTER EXECUTES A HOOK, UP AND OVER A MUSTANG'S HEAD.

Cinderella was a Tiger. Withrow, the cinderella team of the tournament, upset the predictions of all the experts and shot her way to the District Championship. Aided by the phenomenal outside shooting of Roland West and Charlie Orr, the Tigers won five outstanding tourney games. Cavaliers, Warriors, and Knights were the prey as the Tigers clawed their way to oppose Elder's Panthers, everybody's number one team. In the XU dungeons the Tigers placed back-to-back wins over Purcell and Mariemont. Beating Purcell for the second time of the season in an overtime, Withrow went on to easily take Mariemont, the champions of the Eastern League.

Central was the foe in a school night game as the Red and Silver fell in a disputed contest. The broil came when a Central guard dropped in a thirty-foot shot as the clock ran out. The game went into overtime where Withrow took the season's series, 3-0. In the spacious U.C. fieldhouse the Tigers again showed their Cinderella form. The Elder Panthers were heavy favorites against the upstart Withrow squad. But, inspired by a victory cake and an overflow crowd, Withrow made it look easy. The Tigers led by fourteen with less than four minutes left and even the most skeptical fans knew the game was in the bag. The game was won at the foul line where the Bengals hit 24 of 27 for 89%. The Anderson game was an easier task for the third-seeded Tigers. The Indians led by seven after the first quarter and were behind by only two after the third frame. Amidst the excitement and suspense of the Regional Tournament Withrow suffered her worst loss. With an off-night at the free throw line and a tremendous outside shooting opponent, Withrow's high-flying Tigers were grounded by the Urbana Hillclimbers. Yes, they sure grow them tall in the hills of Urbana!

RESERVE BASKETBALL

Win or lose, the varsity team can always count on the reserves to rebuild next year. In winning twice as many games as they lost, the Tiger Cubs climaxed their season with a 12-6 slate. Unfortunately, four losses came at the hands of league foes, Taft and Central. Bettering last year's fifth place and 9-9 record, Coach Rolfes used all fourteen hoopsters intermittently. With only one junior, Steve Coaston, the squad was dominated by sophomores.

Withrow's Frosh basketball team bettered last year's tally by one win. In posting a 7-7 slate Mr. Roger Zwayer's squad was beaten twice by Ach only. Eight players came from last year's junior high team which went to the final game of the tournament. SENIOR LETTERMEN INGRAM, DOYLE, AND ATKINS DISPLAY DISTRICT TROPHY.

Under the auspices of mentor Howard Higgins, the Withrow cross-country team took second place in the P.H.S.L. In the first two-mile meet the varsity came in second to Taft. With three returning lettermen, Carl Ingram, George Meadows, and Frank Doyle, plus Bill Atkins, the harriers also placed in the second event. The cross-country boys clinched second place in the league when they finished third in the final Avon Fields match. The seven-man team then ran true to form in taking the second position in the district meet. Off to Columbus for the state run, the Tiger C.C. boys were finally able to beat Taft. Withrow brought home the thirteenth place medal in Ohio.

of this season's team was to
overtake last year's champ, Taft,
and add another District Trophy
to this year's growing list.
Hampered by foul weather, the
team was forced to wait until
late April before showing its
outstanding form. But with May
came fair weather and another
budding track team. The
Withrow stadium buzzed with
the sounds of pole vaulters and
shot putters, milers and hurdlers,
all desirous of another winning
season.

The Withrow Junior High Track Team prepared for another outstanding season. Withrow has always been proud of her junior cindermen and it is not surprising that many junior high standouts become the varsity stars. Veteran coach Howard Higgins will again lead his apprentices in an effort to produce a winning crew. Ris pneumonia and wet feet, the Junior High will strive to keep the quality of its teams up to that of the varsity squads. Long hours of daily practice on the field and track prepare these lil' Tigers for stiff competition. The Public High meets will show the results of the cooperation and skill of all.

BASEBALL

THIS BOY KNOWS A BALL IN THE EYE IS WORTH FOUR IN THE MIT!

When spring eventually arrived, the Withrow baseball club suited up and began practice. Mr. John Huheey, Tigertown's distinguished basketball coach, is again leading the varsity nine. Mr. Roscoe Hunt will be Mr. Huheey's new assistant. At publication three games had been completed and three had been cancelled due to inclement weather. Oak Hills joined Withrow in the opener and was shut out 6-0. In a practice game with Oak Hills, Withrow again came out on top, 3-1. Against Walnut Hills the Tiger sackmen won their second game by a score of 2-0. Withrow scored twice in the second inning and matched the Eagles' five hits. Phil Ritchie was the victor and added a double to this record.

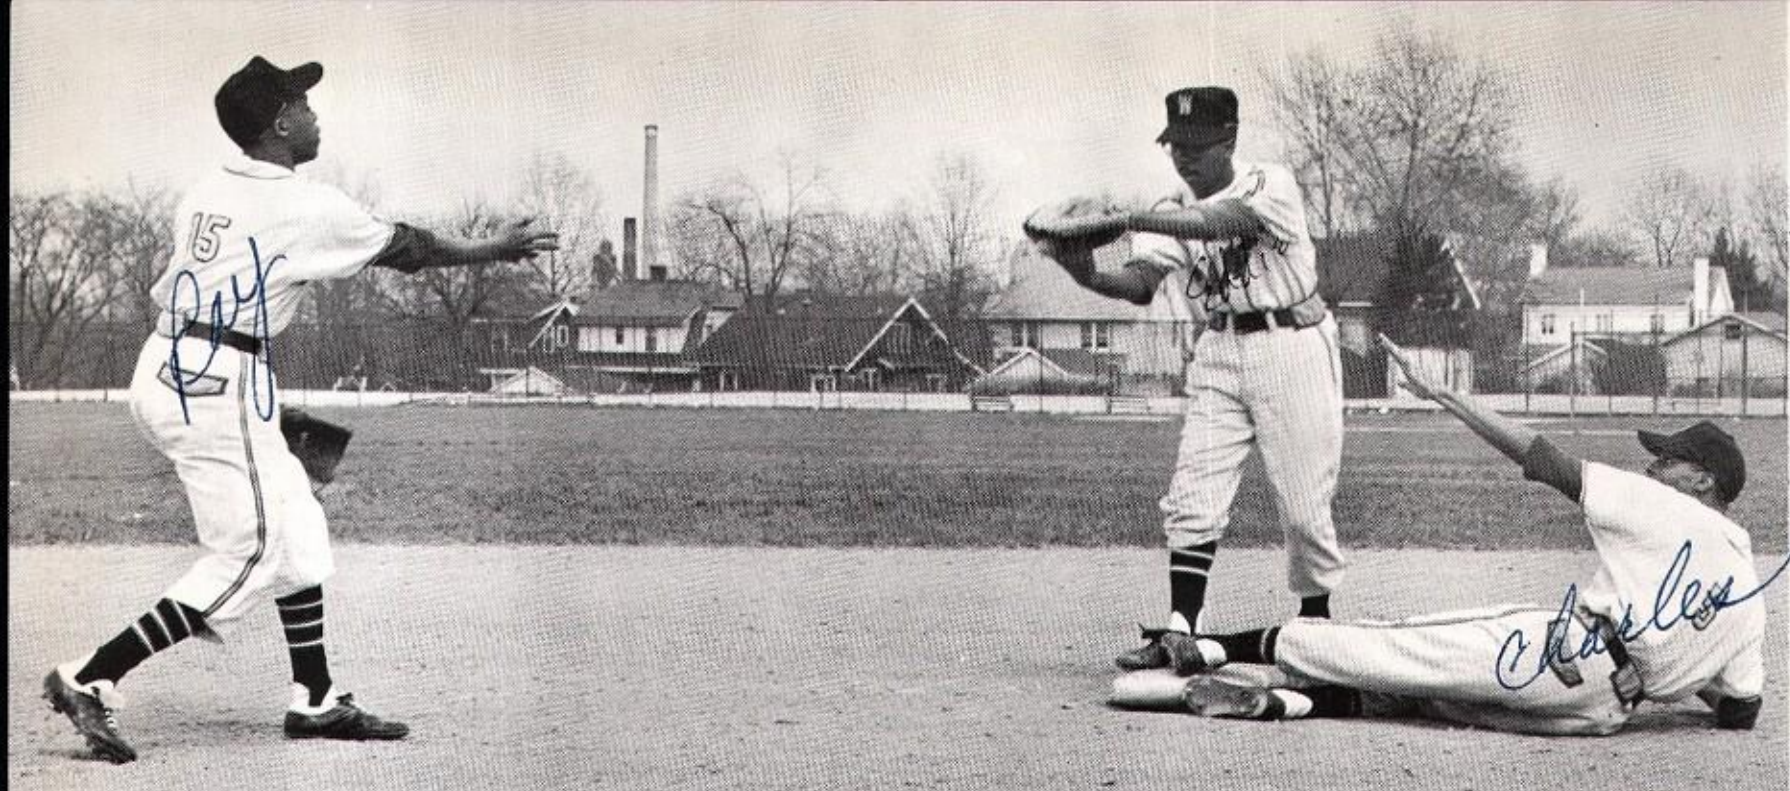

The Tiger diamondmen posted a 2-1 record by losing to the Purcell Cavaliers, 4-2. Purcell took a 3-0 lead in the first inning and added a fourth in their half of the fourth inning. Withrow brought across her two runs in the fourth, but was unable to bunch five hits into additional runs. With two fine pitchers in seniors Phil Ritchie and Dick Beiser, the Tiger nine can look forward to many successful games this season. The other seniors on the team include Wally Knoechel, John Diekman, Ed Dent, John McDanials, and Gary Gibbons. The tentative starting lineup for this season is John Diekman guarding first base, Ed Dent playing second base, Donald Williams, covering short stop, and Wally "Booker T" Knoechel protecting the hot corner. Behind the plate was basketball star Bob Johnson. Shagging flys in the outfield were: three-year man Gary Gibbons, and juniors Mike Moody and Steve Conway. We predict a high-flying season for this fine ball club.

COACH DON SMITH GIVES HIS PROMISING GOLF STARS SOME IMPORTANT POINTERS.

GOLF

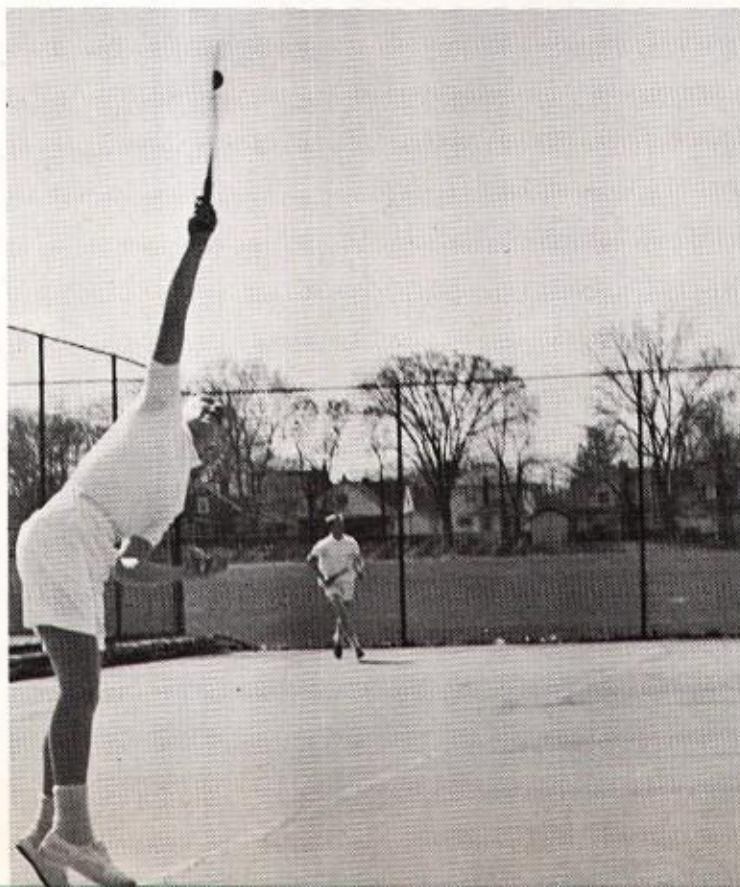

One of Withrow's smallest yet most proficient varsity teams was Coach Don Smith's golf squad. With four returning seniors the squad's chances for success were great. Leading the pack was Earl Northcutt, a three-year letterman who consistently shot in the high 70's. Ably assisting Earl were seniors Don Kelch, Mike Zavison, and Harold Martin, all returning from last year's team. Added starters this season were Tim Barbeau and Ed Herbert, both seniors who rounded out the squad. With such experienced linksters the squad can be expected to drive and putt its way to many victories.

VARSIITY TENNIS

Tigertown experienced a rebuilding year in varsity tennis. With seven seniors graduating from last year's rightly successful squad, new Coach Robert Mather was forced to reconstruct. The climax of the season will come with the city and state tourneys where the young Tiger netters will prove their worthiness. Withrow has always held her own in these tournaments and should do so again this season.

Between snowstorms the Tiger Junior High Tennis Team carried on its strenuous practices. Under Coach Smith the racquet squad developed the tiresome fundamentals of the service, the volley, the forehand and the backhand. Greatly handicapped by a lack of suitable competition, the reserve racqueteers played opposing Junior High teams on the same afternoons as the varsity games. Unfortunately, many opposing teams had no reserves. But at Withrow the Junior team is a valuable education for future tennis stars.

TIGER SQUAD PRESENTS COACH GRAHAM WITH A SILVER TRAY.

Basketball was not the only sport in which Tigertown excelled. For the first time in thirty frustrating years, the Withrow swimming team won the P.H.S.L. championship and then went on to win the district title. Led by Coach Carl Graham with captains Tom Glueck and John Penn, the team set three permanent records. Taking the three public high meets by a total of one hundred fifty-five points, the tankmen defeated Western Hills by eleven points. Western won an early practice meet, but Withrow came back to tie the first league meet since 1948. In the second encounter the Tigers came on strong. The tally showed Withrow 52, Western 44. The Tigers held their own in the third swim while taking the Maroon Mustangs, again their closest competitor, 52-49. At the district meet in the Central Natatorium, Withrow took home the trophy by once more nosing out Western, 34-33½. The new records included: Dave Deck, Andy McGowan, Ron Palmer, John Penn—200 yard freestyle relay, 1:38.0; Tom Glueck—200 yard medley, 2:25.1; Ron Palmer—100 yard freestyle, 0.51.0.

CHAMPS VOTE ON THE PLAYER WHO WILL ACCEPT THE TROPHY.

Seldom is a town fortunate enough to boast two fine championship teams. Students at Tiger-town had that rare opportunity in '61 when both their basketball and swimming squads claimed district titles. The varsity hardcourtmen coached by John Huheey won their first Southwestern Ohio District Championship in nine years. Carl Graham's Tiger mermen were presented the District Championship trophy for the first time in Withrow's history. Such success was not easy to achieve. The daily routine of practice was often just plain hard work, but the boys did not regret the many hours spent in perfecting their skills. Although sometimes rated as "underdogs," they met every team with confidence and the determination to win. Each squad member was more than an athlete—he was a true sportsman, willing to forego personal glory for the success of his team as a whole. These boys gave their best at all times in agility, co-operation, and fair play. Forever upholding the code of honest athletics, the Tigers came, met, and conquered in true championship form. They well deserved the praise and respect of fellow students. On behalf of the many loyal fans who supported both teams, the Annual Staff congratulates and thanks these fine boys for their outstanding contributions to fair play and good sportsmanship.

GAA BOARD

The Girls' Athletics Association board members provided individual Withrowites with numerous activities along with sport events. After beginning the year with an assembly to acquaint the new students with the functions of GAA, the board then undertook its several financial plans. Throughout the year juicy apples were made available to the many hungry gym classes. As Easter neared, the officers were seen selling cuddly stuffed animals. From the money made through these projects honorary charms were presented to the outstanding members during the annual banquet. A successful year was the just reward for a capable GAA board.

GAA MANAGERS AND ADVISERS

"The most important thing the managers had to do was to take care of the equipment," said Debbie, at the Honor Banquet. "This involved checking the equipment before the season began and again after it was over. Next was making up the schedules for the games and practices. They had to be sure and keep track of the points earned in each sport by the certain individuals. To close the year they must make out a report of their particular sport to be put in the files. The 60-61 managers were great"

The successful operation of the largest organization at Tigertown, GAA, would certainly have been impossible without the assistance of the advisers. The three teachers who made up this invaluable group gave much of their time and energy in seeing that the many activities functioned well. Ready with new ideas or solutions of problems, they were an enormous help to the GAA Board. During their frequent meetings they formulated advice valuable to all phases of GAA.

The Russian ballet might boast a company of Pavlowas, but GAA's Chorean Dance Club certainly ran a close second. Every Thursday afternoon agile girls from all parts of Tigertown donned leotards and, under the direction of Mrs. Bertram and Carol Rogers, learned the art of modern dance. While planning a tea for their mothers, members still found time to attend a city-wide dance symposium and also present the program "Modern in Melodies."

GAA SPORTS

EVEN THE LONGEST STRETCH CAN'T QUITE REACH THIS BALL.

Girls' Athletic Association, GAA to Tigertowners, was made up of over three hundred and fifty girls. Varied sports were not the only offerings of this large organization; it provided friendships to be cherished for years to come and an opportunity to have fun while learning skills. In the fall there was an assembly to acquaint the new girls with GAA's many sports, both individual and team, in which everyone could participate. Christmas season brought the traditional pine tree on display in the main hall. A gift always provided by GAA. A dance, Harvest Frolic, held in the fall, apples sold year round, and stuffed animals vended in the spring were a few projects used to raise money for its annual scholarship. GAA's final event was the spring Honor Night Banquet, where the girls were presented with charms, bracelets and trophies as rewards for accumulating a set number of points.

JUNIOR HIGH GAA

Female residents of Tigertown's junior suburbia kept in top physical condition, thanks to the year-round sports program offered by the Girls' Athletic Association. Aiding advisers in organizing games were the reliable managers. Each of these lil' Tigers was in charge of a sport in which she was especially interested. At every GAA activity a manager was present to check attendance and keep accurate records for future reference. In the fall when they had located and cleaned the necessary equipment, they were responsible for distributing and putting it away after games. Chosen by the junior high board at the end of the year, the new managers met and planned the coming year's agenda. A hand of friendship was always extended to greet seventh grade girls interested in becoming members of this sports organization. Through the display of colorful posters they tried to instill eagerness and enthusiasm in their fellow students for the rewarding activities of GAA.

JUNIOR HIGH SPORTS

Junior high G.A.A. featured many sports, several of which were different from those of their big sister organization. In the fall, instead of hitting a puck with a hockey stick, these energetic girls battled with their feet, over a soccer ball.

Their other three major sports were the same as those of Senior G.A.A.—volleyball, basketball, and softball. They also had Dance and Dolphin clubs. Tumbling and track were two more of their own specialties. Some of the girls developed co-ordination from working on new and different stunts, while others strengthened their muscles by running the dash, broad jumping, or throwing the baseball. Each girl could find her place in one of the sports provided.

Tigertown's Underclassmen

As new residents in Tigertown, seventh graders view apprehensively the unfamiliar roads and the whirl of strange faces spread before them. They are unsure both of themselves and of their future among the citizens living there.

With the discovery that many activities and organizations may be joined, these young students are sampling a piece of senior-high life. Moving into the higher grades is an important step, for it is then that pupils have a significant position to maintain. Although the work is more difficult they are helping to make Tigertown a better place to live. As they close their junior year, these underclassmen have become part of the whirl of faces and have traveled many roads toward the future.

Tigertown's Advertisements

As we end our journey through Tigertown, we come to a very necessary and helpful section of our annual. This, of course, is our advertisement department, where many of Tigertown's dependable friends are represented. No town is complete without the confidence and approval of its associates in the world of business, and Withrow takes pride in its affiliations with numerous reliable firms. The following advertisements present some of the finest in local services and merchandisers. Their faith in Withrow's yearbook, as a means of attracting the public eye, has helped make our annual a success, just as we hope the patronization by citizens of Tigertown has helped to support these many concerns. In these pages we hope to show our sincere appreciation.

Your Own Princess Phone

What teenager wouldn't get excited over having her very own Princess phone. Think what a joy to use a phone that's scarcely bigger than your hand — that feels light as a feather — with a dial that glows softly, lights up brightly whenever you pick up the receiver.

You'll enjoy calls more in your own room on your own Princess phone. And, the monthly charge is so low that you may be able to pay for a Princess extension yourself. For more information, call our business office, EXchange 6-9900.

Ninety years ago, in 1867 the Fred Pagels Stg. Co. entered the moving and storage business with the most modern equipment . . . horse drawn vans. Think twice
and be nice.

Winkie,
It seems as though
everybody else has
thought of something nice
to say, but I always
like to be an exception.
I'm going to be different
this time. Stay sweet and
keep that wonderful per-
sonality of yours. Good
Luck in everything you
attempt to do.

Love ya,

(My man)

I can't think of anything to say that I haven't already said. Always remember that I love you very much and want you to be mine always.

and finally...

I hope you'll always stay in love with me for I know that I'll always love you. Love forever, Pat

The Withrow Annual Staff of 1961 would like to thank the following for their invaluable contributions to this yearbook:

The Faculty and Administration for their sincere interest in Tigertown '61 . . .

Mr. Robert Walter of the S. B. Newman Printing Company for his help in publishing the Annual . . .

Pogue's Portrait Studio for their fine photographic work . . .

The Athletic Department for their cooperation in creating the sports section . . .

The Custodial Staff for the time devoted to distributing the annuals . . .

The Business Department for their patience in managing technical matters . . .

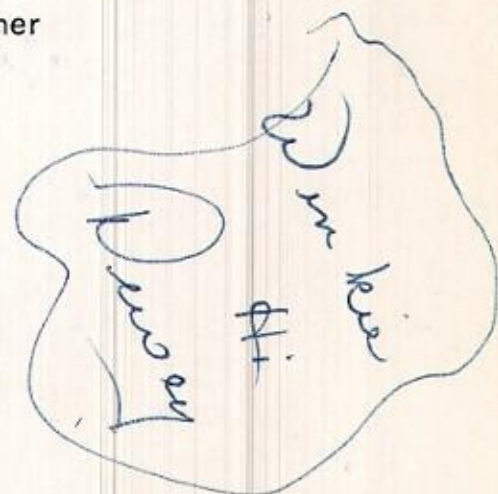

The advertisers for their generous patronage . . .

The advisers for their guidance and sage advice . . .

The students for their encouraging support.

And now the Annual Staff wishes each of you a "sixty-onderful" summer and an equally rewarding '62!

Pat, I shall always love you my duckling. Always yours, Winkie

As Tigertown's busy doors come to a close at last, the senior citizens realize that they must leave their town and travel on to new horizons. These students have spent many years here, and each one carries with him a vast store of impressions and recollections of days gone by. The friendly faces and cheerful smiles, a certain English teacher, and the refreshing taste of a GAA apple hold a special place of importance in the heart of a senior. The victorious football game and the triumphant march to the square, Homecoming floats

and pep assemblies, theme papers and Browning's poetry are each recalled with an inner feeling of warmth. The unmistakable odor of faculty chemistry experiments, the Minstrel finale on closing night, and the long-anticipated Senior Prom all have hurried by too swiftly. On Graduation Day, when each senior sings the alma mater for the final time, the flowing words are no longer flowery generalities but deep truths. A fallen tear, a treasured diploma, and the smile of a dear friend—the last memories of this unforgettable town, Tigertown!

To "Finky,"

We were very glad to have you come and
join us from the old Walnut. I must
say that I enjoyed your many interesting
and comical experiences with your many,
many braus. I do hope the "Lucky" one
I choose will make the grade. (smile) Remem-
ber the things I have told you and the advice
I gave you (little though it be) and whatever
you do remember "me"! So I will
close for now saying;

In time the Rockie may
crumble,

Gebralter may tumble,
But I hope our friendship
Is here to stay!

To think a sweet
has lots of luck
in the future.

To Winkie, (Cuz)

A real sweet girl who I'm glad I know. I hope we'll remain friends always. I wish you all the luck with Ronnie and your mess. Maybe one day, your Ronnie, Sonny & I will write. (Ha! Ha!) I know you'll remember all those 3 o'clocks and all because I know I will.

I guess we just can't help liking those two. I think maybe it's a disease or something. But gee it's a nice one though. No one else can catch it. Maybe we all were meant for each other. However I find myself going with someone else but I'm still crazy about him. I know you feel the same way even if they say they better not catch us with someone else. I'm glad you decided to come over to Tigertown maybe I can tame you down (smiles!) You remember that song Maybe I'm A Fool well maybe we are. (You know why too) Well I guess it's time for me to sign off now. Until next year keep cool and sweet and remember me.

Good luck Always
